O R D E R

WHEREAS West Kootenay Power and Light Company,
Limited applied March 18, 1980 for the payment of a grant in
aid of rural electrification; and

WHEREAS the Commission has reviewed the
Application and supporting material and finds that certain
line extensions conform to the terms of Schedule 84 of the
Company's filed tariff, applicable to electrical line
extensions qualifying for rural electrification assistance
grants; and

WHEREAS the line extensions will supply electric
power to customers in rural areas, which due to insufficient
customers, would not otherwise receive electric service at
reasonable rates.

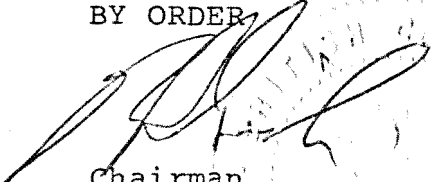

.../2

NOW THEREFORE the Commission hereby orders that the amount of \$12,078.16 be recommended for payment to West Kootenay Power and Light Company, Limited pursuant to Section 107 of the Power Act, the said amount not exceeding 50% of

- (a) the capital cost of construction and erecting primary transmission lines and cables, service transformers, secondary lines, conduits, pipes, pipe-lines, storage-tanks and meters, and
- (b) the operating expenses for the supply of power in the said rural area and designates West Kootenay Power and Light Company, Limited, being an electric utility, to receive the said payment.

DATED at the City of Vancouver, in the Province of British Columbia, this 27th day of March, 1980
