Commissioner)

O R D E R

WHEREAS:

- A. On December 18, 1991 British Columbia Hydro and Power Authority ("B.C. Hydro") filed an Application to amend its Electric Tariff with respect to Rate Schedules 1105, 1205, 1206, and 1207 - Residential and General Dual Fuel Interruptible Service ("Electric Plus") concerning the Availability and Special Conditions Clauses ; and
- B. B.C. Hydro applied to remove the requirement that the availability of service be contingent upon there being no natural gas service to a customer's premises, remove the requirement for a fuel storage facility on the customer's premises and remove the reference to specifically named fuels to be used for the backup heating system; and
- C. On December 9, 1991, Centra Gas British Columbia Inc. advised B.C. Hydro that such changes to the Electric Plus program would allow it to supply natural gas distribution service to those markets; and
- D. The Commission has reviewed the Application and supporting documentation and is satisfied that the amendments to Electric Plus rate schedules is necessary and in the public interest.

NOW THEREFORE the Commission Orders as follows:

1. B.C. Hydro's December 18, 1991 Application to amend the Availability and Special Conditions clauses of Electric Plus rate schedules is approved effective immediately, as follows:

Fifth Revision of Pages C-2-6 and C-17-6
Sixth Revision of Pages C-2-5 and C-17-5

2. B.C. Hydro is to advise all customers served under Electric Plus rate schedules of the tariff amendments and the changes to the terms and conditions of service.

DATED at the City of Vancouver, in the Province of British Columbia, this 25th day of February, 1992
