O R D E R

WHEREAS:

- A. On September 30, 1996 Centra Gas Fort St. John Inc. ("Centra Gas") applied to the Commission for approval of a Tariff Supplement to Small Industrial Service Rate No. 10 ("SIS-10") for transportation service to the Petro Canada Inc. ("Petro Can") compressor station on the Baldonnel portion of its system at a fixed rate for five years commencing August 9, 1996; and
- B. On October 23, 1996 Centra Gas provided the Commission with a response to an information request which indicated that service to Petro Canada at the filed rates provides a positive revenue contribution and that the customer had a competitive alternative to gas service from Centra Gas; and
- C. The Commission has reviewed the Application and supporting documentation and finds that approval is necessary and in the public interest.

NOW THEREFORE the Commission orders as follows:

- 1. The Commission approves for Centra Gas the Tariff Supplement to Rate Schedule SIS-10 service to Petro Can's compressor station at 04-09-83-17W6M at rates of \$3,200 per month plus \$0.052 per gigajoule, and Original page 61a, effective August 9, 1996 for a period of 5 years from the effective date.
- 2. The Commission will hold as confidential the contractual information in the filing.

DATED at the City of Vancouver, in the Province of British Columbia, this 12th day of November, 1996.
