Dear Mr. Masuhara:

Re: BC Gas Utility Ltd.
Application for Deferral Funding - District Energy System Feasibility Study

Pursuant to your July 25, 1996 application regarding the above-noted, the Commission approves the shift of \$90,000 in approved DSM funds in 1996 and \$30,000 in 1997 from existing programs to fund a District Energy System Feasibility Study as set forth in your application.

Yours truly,

Constance M. Smith
