Dear Ms. Barnett:

Re: British Columbia Hydro and Power Authority
WTS Application - Amendments to Regulatory Timetable

On October 23, 1997, the Commission issued Order No. G-105-97 which rescheduled the public hearing into the above-referenced Application to commence in the Commission's Hearing Room at 9:00 a.m. on January 19, 1998. On November 3, 1997, a pre-hearing conference was held in which the regulatory timetable leading up to the public hearing was discussed.

Based on the above discussions, the Commission has approved a new Regulatory Timetable for the WTS Application and is attached as Appendix A to this letter.

Yours truly,
