Dear Mr. Higgins:

Re: Terasen Gas (Whistler) Inc.
Application – Approval of Demand Side Management Program Development Costs

The Commission approves your July 3, 2003 application to direct an amount of \$45,000 for the purpose of obtaining the services of a consultant to undertake demand side management studies.

Please note that the costs should be accounted for in a deferral account, the disposition of which will be determined by the Commission during the next revenue requirements proceeding for Terasen Gas (Whistler) Inc.

Yours truly,
