Exhibit No. A-22

Re: British Columbia Transmission Corporation ("BCTC")
Project No. 3698350 – Order No. G-81-04
Application for an Open Access Transmission Tariff
and

British Columbia Hydro and Power Authority ("BC Hydro")
Interconnected Operations Services to British Columbia Transmission Corporation

BC Hydro by letter of February 9, 2005 (Exhibit B2-15), has applied for leave to file evidence in the Open Access Transmission Tariff ("OATT") hearing to rebut evidence filed by the Alberta Electric System Operator ("AESO") on December 17, 2004 (Exhibit C9-5) and in its responses to information requests filed on January 28, 2005 (Exhibit C9-6). BC Hydro's reasons for its request are set out in its letter. BCTC, by letter dated February 10, 2005 (Exhibit B1-19), has stated that it does not oppose BC Hydro's application.

Parties who wish to comment on the BC Hydro application for leave to file evidence rebutting the AESO evidence are asked to make their submissions to the Commission in writing by 4:30 p.m. on Tuesday, February 15, 2005. BC Hydro is asked to submit its reply comments, if any, by 4:30 p.m. on Thursday, February 17, 2005.

Yours truly,
