Mr. Tony Morris
Acting Chief Regulatory Officer
British Columbia Hydro and Power Authority
17th Floor, 333 Dunsmuir Street
Vancouver, B.C. V6B 5R3

Dear Mr. Morris:

Re: British Columbia Hydro and Power Authority
Filing of New Pricing for Electricity Sales made under
Tariff Supplements No. 7 and No. 8 and Sales made to the Stikine Nation Corporation

The Commission approves and accepts for filing BC Hydro's Diesel Generation Costs as outlined in BC Hydro's letter of June 30, 2005 that was subsequently corrected on July 14, 2005. The rates for Tariff Supplements No. 7 and No.8 and for electricity sales to the Stikine Nation Corporation are adjusted for the period July 1, 2005 to June 30, 2006 as follows:

1. Electric Tariff Supplement No. 7 – Interruptible Electricity Supply Agreement with Central Coast Power Corporation at an energy charge of 25.88 cents per kWh; and
2. Electric Tariff Supplement No. 8 – Interruptible Electricity Supply Agreement with Queen Charlotte Power Corporation at an energy charge of 25.88 cents per kWh; and
3. Stikine Nation Corporation at an energy charge of 31.00 cents per kWh.

The Commission also reminds BC Hydro that it is required to file a tariff supplement for the Stikine Nation Corporation pursuant to Commission Letter No. L-38-04.

Yours truly,
