Dear Ms. Miller:

Re: Sun Peaks Utilities Co. Ltd. ("Sun Peaks")
Application -2006/07 Revenue Requirement

In accordance with Commission Order No. G-60-07, Sun Peaks filed its recalculated 2006/07 revenue requirement including the five Regulatory Schedules and also provided a November 1, 2006 to April 30, 2007 refund estimate, which have been reviewed by the Commission and are accepted. The Commission also accepts Sun Peaks proposal to apply the difference between the revenue collected at 2006/07 interim rates compared to the approved permanent rates as a credit to the Gas Cost Recovery Account. Sun Peaks is to file its November 1, 2006 permanent tariff pages in a timely manner.

Yours truly,
