Re: British Columbia Hydro and Power Authority ("BC Hydro")
Transmission Service Rate ("TSR") F2008 Annual Report - Commission Order G-190-08
Request for Extension of Written Submissions

The Joint Industry Electricity Steering Committee ("JIESC") in its letter to the Commission dated January 7, 2008, requests an extension to the deadline for JIESC to provide Intervenor comments with regard to the TSR F2008 Annual Report. JIESC explains that it has discussed the matter with BC Hydro and JIESC understands that BC Hydro does not object to the requested extension.

The Commission agrees that an extension is warranted and subsequently amends Commission Order G-190-08 Direction No. 1 to read as follows:

Intervenors and stakeholders are to provide written submissions to the Commission regarding the TSR F2008 Annual Report and BC Hydro's proposed Terms of Reference by Tuesday, January 20, 2009, and BC Hydro is to provide its reply submissions to the Commission by Tuesday, February 10, 2009.

Yours truly,
