Mr. Ian Gartshore
President
Energy Solutions for Vancouver Island (Society)
353 Seventh Street
Nanaimo, BC V9R 1E3

Dear Mr. Gartshore:

Re: British Columbia Power and Hydro Authority ("BC Hydro")
2008 Residential Inclining Block Rate Application
ESVI Request for Reconsideration of Order F-25-08

On January 8, 2009 the Commission issued Letter L-2-09 denying Energy Solutions for Vancouver Island ("ESVI") its Request for Reconsideration of Order F-25-08 on the basis that no submissions were received from ESVI responding to BC Hydro's comments by the specified date.

By letter dated January 15, 2009 to the Commission, ESVI informed the Commission that BC Hydro had not copied its submissions made on December 17, 2008 to ESVI and as a result there was no opportunity for ESVI to respond to BC Hydro's comments. By letter dated January 16, 2009, BC Hydro acknowledged that its submissions were inadvertently not copied to ESVI.

The Commission therefore rescinds Letter L-2-09 and provides ESVI with the opportunity to respond to BC Hydro's letter dated December 17, 2008 by Tuesday, January 27, 2009.

Yours truly,
