Mr. C.P. Donohue
Director, Regulatory Affairs & Gas Supply
Pacific Northern Gas Ltd.
950 - 1185 West Georgia Street
Vancouver, BC V6E 4E6

Dear Mr. Donohue:

Re: Pacific Northern Gas Ltd.
Modifications to PNG's Hedging Summary Plan set forth in Table 12 from
PNG's Price Risk Management Plan dated April 2009 ("PRMP 2009")

Further to Pacific Northern Gas Ltd.'s ("PNG") letter dated September 3, 2009, the Commission accepts the Table 12 from PRMP 2009 filed with PNG's letter that has been revised to convert the remaining options to be hedged under PRMP 2009 to fixed price swaps. The Commission also accepts PNG's recommendation to apply the "Apr11 and Oct11" accelerated hedging triggers from Table 13 at page 17 of PRMP 2009 to the remaining fixed price swap of 400 GJ/day for the April 10, May 10 and October 10 hedging term.

Yours truly,
