Dear Ms. Fraser:

Re: British Columbia Transmission Corporation
Financial Information Filing for F2011
and
Application for Approval of a Deferral Account to Record
F2011 BCTC Capital Portfolio Project Sustaining Costs

Further to British Columbia Transmission Corporation's ("BCTC") filings dated December 16, 2009 noted above, the Commission advises that it is not inclined at this time to establish a proceeding to review these Applications, but will instead be seeking clarification on certain aspects of the Applications through Information Requests ("IR"). Upon receipt of BCTC's IR responses, the Commission will then decide on the appropriate process to review the Applications.

Yours truly,
