Dear Ms. Roy:

Re: FortisBC Energy (Vancouver Island) Inc.
2013/2014 Annual Contracting Plan (November 2013 – October 2014)
Response to Item 5 of Letter L-44-13 dated July 18, 2013

On July 18, 2013, the British Columbia Utilities Commission (Commission) issued Letter L-44-13 accepting the FortisBC Energy (Vancouver Island) Inc. (FEVI) 2013/14 Annual Contracting Plan (ACP). Letter L-44-13 requests that FEVI provide an analysis of the contracting alternatives prior to contracting for the transportation service capacity.

On July 30, 2013, FEVI filed the requested analysis of the contracting alternatives for the transportation service capacity. The Commission accepts that the analysis filed complies with the request set out in Letter L-44-13. The filing will be kept confidential as requested by FEVI to protect commercially sensitive information.

Yours truly,

Erica Hamilton
