IN THE MATTER OF
the Utilities Commission Act, R.S.B.C. 1996, Chapter 473

and

British Columbia Hydro and Power Authority
Northwest Transmission Line Application
Tariff Supplement No. 37 to BC Hydro Electric Tariff

BEFORE: L.F. Kelsey, Commissioner April 25, 2013

ORDER

WHEREAS:

- A. On April 10, 2013, by Order G-52-13, the British Columbia Utilities Commission (Commission) approved Tariff Supplement No. 37 (TS No. 37) as filed in an Application submitted by the British Columbia Hydro and Power Authority (BC Hydro) on December 11, 2012 (Application);
- B. On April 19, 2013, BC Hydro filed with the Commission a revised tariff page 5 of 18, Appendix 1 of the recently approved TS No. 37 (Tariff Page).
- C. The Tariff Page corrects a misprint discovered by BC Hydro in the calculation of the Northwest Transmission Line Supplemental Charge. The term "Output" was used instead of the term "Demand" in the calculation on the Tariff Page. In the Application BC Hydro specified the calculation as using the term "Demand" and not the term "Output"; and
- D. The Commission reviewed the Tariff Page and determines that approval is warranted to correct the misprint.

NOW THEREFORE pursuant to section 61 of the *Utilities Commission Act*, the British Columbia Utilities Commission:

1. Approves BC Hydro's requested revision to tariff page 5 of 18, Appendix 1 of Tariff Supplement No. 37.
1. Directs BC Hydro to file the revised page in accordance with the terms of this Order within 30 days.

DATED at the City of Vancouver, In the Province of British Columbia, this 25th day of April 2013.

BY ORDER
