- B. On May 20, 2014, the Western Electricity Coordinating Council (WECC), acting as the Commission's MRS Administrator, issued a Notice of Alleged Violation (NOAV) to Catalyst Paper Crofton Division (CP-Crofton) for the alleged violation of the Reliability Standards listed above. The CMP also states if CP-Crofton fails to respond within 30 days, the Commission may consider the Alleged Violations in the absence of a submission;
