and

FortisBC Energy Inc.
Application for Approval of Amended Rates for Compressed Natural Gas Fueling Service
between Smithrite Disposal Ltd. and FortisBC Energy Inc.
for the 2016 Fueling Station Expansion and Amending Agreement No. 5
for the Fueling Station under the Province's Greenhouse Gas Reduction Regulation

BEFORE:

K. A. Keilty, Commissioner

on April 25, 2017

ORDER

WHEREAS:

- A. On December 21, 2016, FortisBC Energy Inc. (FEI) applied to the British Columbia Utilities Commission (Commission), pursuant to sections 59 to 61 and 89 of the *Utilities Commission Act*, for interim and permanent approval, of the amended rates established in the unexecuted Amending Agreement (Amending Agreement No. 5) to the Fueling Station Licence and Use Agreement between FEI and Smithrite Disposal Ltd. (Smithrite) for Compressed Natural Gas (CNG) service at the Smithrite Fueling Station (Smithrite Agreement), effective January 1, 2017. On February 1, 2017, FEI filed the executed Amending Agreement No. 5 with the Commission (Application). The Application also requests that the live financial model provided in Appendix D of the Application be kept confidential due to its commercially sensitive nature;
- B. On April 11, 2013, the Commission issued Order G-56-13 accepting that the Greenhouse Gas Reduction Regulation (GGRR) established the need for CNG and Liquefied Natural Gas fueling stations that are undertaken by FEI as prescribed undertakings as defined by the GGRR, and that these prescribed undertaking projects are exempt from the Certificate of Public Convenience and Necessity requirements for the term of the GGRR;
- C. On November 27, 2013, the Lieutenant Governor in Council issued Order in Council (OIC) No. 556 amending the GGRR. The GGRR was further amended by OIC No. 297 dated June 3, 2015 and OIC No. 609 dated August 19, 2016;
- D. On July 31, 2013, Order G-113-13 approved, on a permanent basis, the rate design and rates, established in the Smithrite Agreement, as amended by Directives 1 and 2 and the Amending Agreement dated September 30, 2013 (Amending Agreement No. 1) to the Smithrite Agreement;
- E. On June 10, 2014, Order G-72-14 approved the amended rates established in an Amending Agreement dated May 12, 2014 (Amending Agreement No. 2), to the Smithrite Agreement;

- F. On June 10, 2016, FEI and Smithrite entered into a third Amending Agreement to the Smithrite Agreement (Amending Agreement No. 3). Amending Agreement No. 3 contemplated a capital expansion of the Smithrite Fueling Station at an estimated capital cost of \$333,841.50, an increase in the annual take-or-pay volume commitment for CNG fueling service, and an amended capital rate due to the expansion and increased annual take-or-pay volume commitment by Smithrite;
- G. On November 30, 2016, FEI and Smithrite entered into a fourth Amending Agreement to the Smithrite Agreement (Amending Agreement No. 4) which reflected the revised estimated capital cost of the Smithrite expansion of \$390,000.00, plus Allowance for Funds Used During Construction (AFUDC) of \$8,825.00 for a total estimated capital cost of \$398,825.00;
- H. On December 22, 2016, FEI and Smithrite entered into a fifth Amending Agreement to the Smithrite Agreement (Amending Agreement No. 5) which reflected the actual capital expenditures of \$389,866.32, including AFUDC, to install 16 additional time-fill posts and associated infrastructure at the Smithrite Fueling Station, and an increase to the annual take-or-pay volume commitment;
- I. February 10, 2017, Order G-18-17A approved the amended rates established in the executed Amending Agreement No. 5 to the Smithrite Agreement for CNG service at the Smithrite Fueling Station on an interim basis, effective January 1, 2017; and
- J. The Commission has reviewed the Application and finds that the rates in the executed Amending Agreement No. 5 should be approved.

NOW THEREFORE pursuant to sections 59 to 61 of the *Utilities Commission Act*, the British Columbia Utilities Commission orders as follows:

- 1. The amended rates established in the executed Amending Agreement No. 5 to the Fueling Station Licence and Use Agreement between FortisBC Energy Inc. and Smithrite Disposal Ltd. for Compressed Natural Gas service at the Smithrite Fueling Station are approved on a permanent basis, effective January 1, 2017.
- 2. The live financial model provided in Confidential Appendix D of the Application will be kept confidential due to its commercially sensitive nature.
- 3. FortisBC Energy Inc. is directed to file the executed Amending Agreement No. 5 to the Fueling Station Licence and Use Agreement between FortisBC Energy Inc. and Smithrite Disposal Ltd. in tariff supplement form for endorsement by the Commission within 30 days of the date of this order.

DATED at the City of Vancouver, in the Province of British Columbia, this 25th day of April 2017.
