on May 23, 2019

ORDER

WHEREAS:

- A. On March 8, 2019, Nelson Hydro filed an application with the British Columbia Utilities Commission (BCUC) for approval of a 2.94 percent general rate increase to all Rural customer classes, effective April 1, 2019 (Application);
- B. Nelson Hydro is owned and operated by the City of Nelson and is exempt from regulation under the *Utilities Commission Act* (UCA) to the extent it is serving customers within its municipal boundaries. Accordingly, the BCUC's review of the Application pertains solely to Nelson Hydro's non-municipal, or rural, ratepayers;
- C. By Order G-60-19, the BCUC approved Nelson Hydro's requested 2.94 percent rate increase that applies to all Rural customer classes on an interim and refundable basis, effective April 1, 2019. BCUC also established an initial regulatory timetable by Order G-70-19, which included intervener and interested party registration and one round of BCUC intervener information requests (IR); and
- D. The Panel has reviewed Nelson Hydro's responses to IR No. 1 and considers that a second round of IRs is warranted. Further process will be determined following review of IR No. 2 responses.

NOW THEREFORE the BCUC establishes an update to the regulatory timetable, attached as Appendix A to this order.
