Re: Customer Choice Program – Dispute [REDACTED] (Accts [REDACTED])/Access Gas Services Inc.

Dear [REDACTED]:

The British Columbia Utilities Commission (BCUC) is in receipt of your Customer Choice dispute and has considered the evidence relating to this matter. The BCUC's findings are outlined below.

Nature of the dispute

The customer filed the dispute on the basis of misrepresentation of rate.

Evidence and other considerations

The contract, dated April 25, 2019, came into effect on July 1, 2019. The customer filed the disputes on August 13, 2019.

According to the customer, the sales representative misrepresented the rate by stating that Access Gas Services Inc.'s (Access Gas) natural gas rate would be lower than that of FortisBC Energy Inc. (FEI).

Access Gas proposed to resolve the dispute by lowering the natural gas rate or by cancelling the agreement on the next anniversary date with payment of a discounted early exit fee. Access Gas state they have not received a response from the customer.

Access Gas considers the agreement valid and binding.

During the Third Party Verification (TPV) call, which was recorded and provided to the BCUC as evidence in this dispute, [REDACTED] confirms that he:

- is the owner of [REDACTED];
- has authority to bind agreements for his organization;
- has been provided with a copy of the signed agreement;
- agreed to a price of \$5.89 for a term of five years; and
- has the right to cancel without penalty within 10 days.

As the matter has not been resolved directly between the customer and the gas marketer, the BCUC has reviewed and adjudicated the matter.

BCUC determination

There is insufficient evidence to support the customer's statement that the sales representative misrepresented the rate. During the TPV call, the signatory confirms his understanding of the rate, the cancellation terms, and that he may not save money by entering into the agreement. The agreement and TPV are compliant with the requirements under the Code of Conduct for Gas Marketers. For these reasons, the BCUC finds the agreement valid and binding.

Access Gas will remain the natural gas provider. The customer has the option to cancel the agreement prior to the end of term in accordance with the agreement terms and conditions.

Sincerely,
