ORDER

WHEREAS:

- A. On June 3, 2019, FortisBC Energy Inc. (FEI) filed with the British Columbia Utilities Commission (BCUC), on a confidential basis, an application for acceptance of two Biomethane Purchase Agreements (BPAs) between FEI and Tidal Energy Marketing Inc. (Tidal Energy) pursuant to section 71 of the *Utilities Commission Act* (UCA) (Application);
- B. On July 18, 2019, the BCUC issued a letter requesting FEI to file a non-confidential redacted version of the Application and the BPAs, pursuant to section 18.01(b) of the BCUC's Rules of Practice and Procedure to allow for a public hearing process;
- C. On August 8, 2019, FEI filed a non-confidential redacted version of the Application and the BPA, requesting that commercial information regarding the upstream parties not directly contracting with FEI, the exact address, acquisition price, termination payments, volumes and carbon intensity be held confidential due to their commercially sensitive nature;
- D. By Order G-239-19 dated September 6, 2019, the BCUC established a written hearing process and regulatory timetable to review the Application. The timetable included intervenor registration, one round of information requests (IR), and submissions on further process;
- E. By November 8, 2019, the BCUC received submissions on further process from FEI, the BC Sustainable Energy Association, the BC Old Age Pensioners' Organization et al., and the Commercial Energy Consumers Association of British Columbia, all recommending to proceed to final arguments; and
- F. The BCUC has considered the evidence filed to date and the submissions made by the parties on further process and finds that a further regulatory timetable for the review of the Application is warranted.

NOW THEREFORE the BCUC orders that a further regulatory timetable is established, as set out in Appendix A to this order.

DATED at the City of Vancouver, in the Province of British Columbia, this 15th day of November 2019.
