BEFORE:

on October 28, 2025

ORDER

WHEREAS:

- A. On October 8, 2025, Pacific Northern Gas Ltd. (PNG) filed a request with the British Columbia Utilities Commission (BCUC) to amend Order G-204-25 to correct a typographical error (Filing);
- B. On July 8, 2025, PNG filed an application with the BCUC pursuant to Sections 59 to 61 of the *Utilities Commission Act* (UCA) for approval of a gas sales agreement to provide natural gas service to LNG Canada Development Inc. for its administration and non-process buildings located at the liquified natural gas (LNG) facility in Kitimat, British Columbia (LNG Canada GSA). PNG also requested approval to terminate Tariff Supplement (TS) 31 with JGC Fluor BC LNG Joint Venture (JFJV) (altogether the Application);
- C. By Order G-204-25 dated August 19, 2025, the BCUC approved the LNG Canada GSA and the rescindment of TS 31 with JFJV;
- D. In the Filing, PNG advises the BCUC that it had identified a typographical error in its Application and in Order G-204-25, which incorrectly referenced TS 31 instead of the correct TS 33. PNG requests the BCUC amend Order G-204-25 to rescind TS 33, the correct tariff supplement; and
- E. The BCUC has reviewed the Filing and considers that the following determination is warranted.

NOW THEREFORE pursuant to section 99 of the *UCA*, the BCUC varies Directive 2 of Order G-204-25 to read as follows: TS 33 is rescinded effective as of the date of this order.

DATED at the City of Vancouver, in the Province of British Columbia, this 28th day of October 2025.
