ASSESSED VALUE

Assessment and Valuation

6.(1) The assessor must assess all interests in land that are subject to taxation under the Taxation Law and all interests in land for which payments-in-lieu may be accepted by the Delegate.

(2) For the purpose of determining the assessed value of an interest in land for an assessment roll, the valuation date is July 1 of the year before the taxation year for which the assessment applies.

(3) The assessed value of an interest in land for an assessment roll is to be determined as if on the valuation date

(a) the interest in land was in the physical condition that it is in on October 31 following the valuation date; and

(b) the permitted use of the interest in land was the same as on October 31 following the valuation date.

(4) Paragraph (3)(a) does not apply to property referred to in paragraphs 18(3)(b) and (d) and the assessed

value of property referred to in that section for an assessment roll must be determined as if on the valuation date the property was in the physical condition that it is in on December 31 following the valuation date.

(5) Except where otherwise provided, the assessor must assess interests in land at their market value as if held in fee simple off the reserve.

(6) The assessor must determine the assessed value of an interest in land and must enter the assessed value of the interest in land in the assessment roll.

(7) In determining assessed value, the assessor may, except where this Law has a different requirement, give consideration to the following:

(a) present use;

(b) location;

(c) original cost;

(d) replacement cost;

(e) revenue or rental value;

(f) selling price of the interest in land and comparable interests in land;

(g) economic and functional obsolescence; and

(h) any other circumstances affecting the value of the interest in land.

(8) Without limiting the application of subsections (5) and (6), an interest in land used for an industrial or commercial undertaking, a business or a public utility enterprise must be valued as the property of a going concern.

(9) Where a lease or other instrument granting an interest in land places a restriction on the use of the property, other than a right of termination or a restriction on the duration of the interest in land, the assessor must consider the restriction.

(10) Council hereby establishes those property classes established by the Province for provincial property assessment purposes that are set out in Schedule I, for the purposes of assessment under this Law and imposing taxes under the Taxation Law.

(11) The assessor must

(a) assess interests in land according to the property classes established under subsection (10); and

(b) use the provincial classification rules for each property class.

(12) Where a property falls into two (2) or more property classes, the assessor must determine the share of the assessed value of the property attributable to each class and assess the property according to the proportion each share constitutes of the total assessed value.

(13) Where two (2) or more persons are holders of assessable property, the assessor may choose to assess the property in the name of any of those persons or in the names of two (2) or more of those persons jointly.

(14) If a building or other improvement extends over more than one (1) property, those properties, if contiguous, may be treated by the assessor as one property and assessed accordingly.

(15) Where an improvement extends over, under or through land and is owned, occupied, maintained, operated or used by a person other than the holder of the land, that improvement may be separately assessed to the person owning, occupying, maintaining, operating or using it, even though some other person holds an interest in the land.

(16) Except as otherwise provided in this Law, for the purposes of assessing interests in land the

assessor must use

(a) the valuation methods, rates, rules and formulas established under provincial assessment legislation existing at the time of assessment; and

(b) the assessment rules and practices used by assessors in the Province for conducting assessments off the reserve.

Exemption from Assessment

7. Notwithstanding any other provision in this Law, improvements designed, constructed or installed to provide emergency protection for persons or domestic animals in the event of a disaster or emergency within the meaning of the *Emergency Program Act* (BC) are exempt from assessment under this Law.

PART V

REQUESTS FOR INFORMATION AND INSPECTIONS

Requests for Information

8.(1) The assessor may deliver a Request for Information containing the information set out in Schedule [II], to a holder or a person who has disposed of assessable property, and that person must provide to the assessor, within fourteen (14) days from the date of delivery or a longer period as specified in the notice, information for any purpose related to the administration of this Law.

(2) The assessor may in all cases assess the assessable property based on the information available to him or her and is not bound by the information provided under subsection (1).

Inspections

9.(1) The assessor may, for any purposes related to assessment, enter into or on and inspect land and improvements.

(2) The assessor may enter onto any property and may examine any property

(a) to determine an assessment of land and improvements, in respect of which the assessor thinks a person may be liable to assessment; or

(b) to confirm an assessment.

(3) The assessor must be given access to, and may examine and take copies of and extracts from, the books, accounts, vouchers, documents and appraisals of the person referred to in paragraph (2)(a) who must, on request, furnish every facility and assistance required for the entry and examination.

PART VI

ASSESSMENT ROLL AND ASSESSMENT NOTICE

Assessment Roll

10.(1) On or before December 31 of each year, the assessor must complete a new assessment roll containing a list of every interest in land that is liable to assessment under this Law.

(2) The assessment roll must be in paper or electronic form and must contain the following information:

(a) the name and last known address of the holder of the interest in land;

(b) a short description of the interest in land;

(c) the classification of the interest in land;

(d) the assessed value by classification of the interest in land;

(e) the total assessed value of the interest in land;

(f) the net assessed value of the interest in land subject to taxation under the Taxation Law; and

(g) any other information the assessor considers necessary or desirable.

Certification by Assessor

11. On completion of an assessment roll and on or before December 31 in that year, the assessor must

(a) certify in writing in substantially the form set out in Schedule X that the assessment roll was completed in accordance with the requirements of this Law; and

(b) deliver a copy of the certified assessment roll to the Delegate.

Assessor to Prepare and Certify Revised Assessment Roll

12.(1) No later than March 31 after the certification of the assessment roll under section 11, the assessor must

(a) modify the assessment roll to reflect all reconsideration decisions, corrections of errors and omissions, and decisions received by the assessor from the Assessment Review Board;

(b) date and initial amendments made to the assessment roll under this section; and

(c) prepare a revised assessment roll.

(2) On completion of the revised assessment roll, the assessor must

(a) certify in writing in substantially the form set out in Schedule X that the revised assessment roll was completed in accordance with the requirements of this Law; and

(b) deliver a copy of the certified revised assessment roll to the Delegate and to the chair.

(3) On certification under this section, the revised assessment roll becomes the assessment roll for the taxation year and it is deemed to be effective as of the date the assessment roll was certified under section 12.

Validity of Assessment Roll

13. An assessment roll is effective on certification and unless amended in accordance with this Law, by a decision of the Assessment Review Board or by an order of a court of competent jurisdiction, is

(a) valid and binding on all parties concerned, despite any

(i) omission, defect or error committed in, or with respect to, the assessment roll,

(ii) defect, error or misstatement in any notice required, or

(iii) omission to mail any notice required; and

(b) for all purposes, the assessment roll of the Delegate until the next certified assessment roll or certified revised assessment roll.

Inspection and Use of Assessment Roll

14.(1) On receipt by the Delegate, the assessment roll is open to inspection in the Delegate's office by any person during regular business hours.

(2) In addition to inspection under subsection (1), the Delegate may allow the assessment roll to be inspected electronically through an online service, provided that the information available online does not include any names or other identifying information about a holder or other person.

(3) A person must not, directly or indirectly, use the assessment roll or information contained in the assessment roll to

(a) obtain names, addresses or telephone numbers for solicitation purposes, whether the solicitations are made by telephone, mail or any other means; or

(b) harass an individual.

(4) The tax administrator may require a person who wishes to inspect the assessment roll to complete a declaration in substantially the form set out in Schedule III

(a) specifying the purpose for which the information is to be used; and

(b) certifying that the information contained in the assessment roll will not be used in a manner prohibited under this section.

Protection of Privacy in Assessment Roll

15.(1) On application by a holder, the assessor may omit or obscure the holder's name, address or other information about the holder that would ordinarily be included in an assessment roll if, in the assessor's opinion, the inclusion of the name, address or other information could reasonably be expected to threaten the safety or mental or physical health of the holder or a member of the holder's household.

(2) Where the assessor omits or obscures information under subsection (1), such information must be obscured from all assessment rolls that are available for public inspection under subsection 14(1) or are otherwise accessible to the public.

Chargeholders

16.(1) Any person holding a charge on assessable property may, at any time, give notice, with full particulars of the nature, extent and duration of the charge, to the assessor and request that his or her name be added to the assessment roll in respect of that assessable property, for the duration of the charge.

(2) On receipt of a notice and request under this section, the assessor must enter the person's name and address on the assessment roll and provide copies of all assessment notices issued in respect of the assessable property.

Assessment Notice

17.(1) The assessor must, on or before December 31 of each year, mail an Assessment Notice to every person named in the assessment roll in respect of each assessable property, at the person's address on the assessment roll.

(2) Where requested by the recipient, an Assessment Notice may be e-mailed to a person named on the assessment roll, and the Assessment Notice is deemed to have been delivered on the date that the e-mail is sent by the assessor.

(3) A person whose name appears in the assessment roll must give written notice to the assessor of any change of address.

(4) Any number of interests in land assessed in the name of the same holder may be included in one Assessment Notice.

(5) If several interests in land are assessed in the name of the same holder at the same value, the Assessment Notice may clearly identify the property assessed, without giving the full description of each property as it appears in the assessment roll.

(6) Subject to subsection 14(3) and subsection (7), the assessor must provide, to any person who requests it and pays to the assessor the fee of six dollars ($6), the information contained in the current Assessment Notice sent by the assessor.

(7) Where information has been omitted or obscured under subsection 15(1), the assessor must omit that information from a notice provided under subsection (6).

PART VII

ERRORS AND OMISSIONS IN ASSESSMENT ROLL

Amendments by Assessor

18.(1) Before March 16 in each year after the certification of an assessment roll under section 11, the assessor must notify and recommend correction to the Assessment Review Board of all errors or omissions in the assessment roll, except those errors or omissions corrected under subsection (2) or section 20.

(2) Before March 16 in each year after the certification of an assessment roll under section 11, the assessor may amend an individual entry in the assessment roll to correct an error or omission, with the consent of the

(a) holder of the interest in land; and

(b) the complainant, if the complainant is not the holder.

(3) Without limiting subsection (1), the assessor must give notice to the Assessment Review Board and recommend correction of the assessment roll in any of the following circumstances:

(a) because of a change in a holder that occurs before January 1 in a taxation year that is not reflected in the certified assessment roll and that results in

(i) land or improvements, or both, that were not previously subject to taxation becoming subject to taxation, or

(ii) land or improvements, or both, that were previously subject to taxation ceasing to be subject to taxation;

(b) after October 31 and before the following January 1, a manufactured home is moved to a new location or destroyed;

(c) after October 31 and before the following January 1, a manufactured home is placed on land that has been assessed or the manufactured home is purchased by the holder of land that has been assessed; and

(d) improvements, other than a manufactured home, that

(i) are substantially damaged or destroyed after October 31 and before the following January 1, and

(ii) cannot reasonably be repaired or replaced before the following January 1.

(4) Except as provided in section 19, or pursuant to an order of a court of competent jurisdiction, the assessor must not make any amendments to the assessment roll after March 31 of the current taxation year.

(5) Where the assessment roll is amended under subsection (1), the assessor must mail an amended Assessment Notice to every person named in the assessment roll in respect of the interest in land affected.

Supplementary Assessment Roll

19.(1) If, after the certification of the revised assessment roll or where there is no revised assessment roll, after March 31, the assessor finds that any interest in land

(a) was liable to assessment for the current taxation year, but has not been assessed on the current assessment roll, or

(b) has been assessed for less than the amount for which it was liable to assessment,

the assessor must assess the interest in land on a supplementary assessment roll, or further supplementary assessment roll, in the same manner that it should have been assessed on the current assessment roll, provided that a supplementary assessment roll under this section must not be prepared after December 31 of the taxation year in which the assessment roll certified under section 11 applies.

(2) If, after the certification of the revised assessment roll or where there is no revised assessment roll,

after March 31, the assessor finds that an interest in land

(a) was liable to assessment for a previous taxation year, but has not been assessed on the assessment roll for that taxation year, or

(b) has been assessed in a previous taxation year for less than the amount for which it was liable to assessment,

the assessor must assess the interest in land on a supplementary assessment roll, or further supplementary assessment roll, in the same manner that it should have been assessed, but only if the failure to assess the interest in land, or the assessment for less than it was liable to be assessed, is attributable to

(c) a holder's failure to disclose,

(d) a holder's concealment of particulars relating to assessable property,

(e) a person's failure to respond to a request for information under subsection 8(1), or

(f) a person's making of an incorrect response to a request for information under subsection 8(1),

as required under this Law.

(3) In addition to supplementary assessments under subsections (1) and (2), the assessor may, at any time before December 31 of the taxation year in which the assessment roll certified under section 11 applies, correct errors and omissions in the assessment roll by means of entries in a supplementary assessment roll.

(4) The duties imposed on the assessor with respect to the assessment roll and the provisions of this Law relating to assessment rolls, so far as they are applicable, apply to supplementary assessment rolls.

(5) Where the assessor receives a decision of the Assessment Review Board after March 31 in a taxation year, the assessor must create a supplementary assessment roll reflecting the decision of the Assessment Review Board and this section applies.

(6) Nothing in this section authorizes the assessor to prepare a supplementary assessment roll that would be contrary to an amendment ordered or directed by the Assessment Review Board or by a court of competent jurisdiction.

(7) A supplementary assessment roll that implements an amendment ordered or directed by the Assessment Review Board or by a court of competent jurisdiction may not be appealed to the Assessment Review Board.

(8) The assessor must, as soon as practicable, after issuing a supplementary assessment roll

(a) deliver a certified copy of the supplementary assessment roll to the Council;

(b) where the supplementary assessment roll reflects a decision of the Assessment Review Board, deliver a certified copy of the supplementary assessment roll to the chair; and

(c) mail an amended Assessment Notice to every person named on the assessment roll in respect of the interest in land affected.

(9) Where a supplementary assessment roll is issued under this Law, the supplementary assessment roll is deemed to be effective as of the date the assessment roll was certified under section 11 in respect of the assessable property affected.

PART VIII

RECONSIDERATION OF ASSESSMENT

Reconsideration by Assessor

20.(1) A person named on the assessment roll in respect of an assessable property may request that the

assessor reconsider the assessment of that assessable property.

(2) A request for reconsideration may be made on one or more of the grounds on which an assessment appeal may be made under this Law.

(3) A request for reconsideration of an assessment must

(a) be delivered to the assessor within twenty-one (21) days after the day that the Assessment Notice is mailed or e-mailed to the person named on the assessment roll in respect of an assessable property;

(b) be made in writing and include the information set out in Schedule V; and

(c) include any reasons in support of the request.

(4) The assessor must consider the request for reconsideration and, within twenty-one (21) days after receiving the request for reconsideration, either

(a) advise the person who requested the reconsideration that the assessor confirms the assessment; or

(b) where the assessor determines that the assessable property should have been assessed differently, offer to the person who requested the reconsideration to modify the assessment.

(5) Where the person who requested the reconsideration agrees with the modification proposed by the assessor, the assessor must

(a) amend the assessment roll as necessary to reflect the modified assessment;

(b) give notice of the amended assessment to the tax administrator and to all other persons who received the Assessment Notice in respect of the assessable property; and

(c) where a Notice of Appeal has been delivered in respect of the assessable property, advise the Assessment Review Board of the modification.

(6) Where the person who requested the reconsideration accepts an offer to modify an assessment, that person must not appeal the modified assessment and must withdraw any Notice of Appeal filed in respect of the assessable property.

PART IX

Council to Establish Assessment Review Board

21.(1) The Delegate must establish an Assessment Review Board to

(a) consider and determine all recommendations from the assessor under subsection 19(1); and

(2) The Assessment Review Board must consist of not less than three (3) members, including at least one (1) member who is a member of the law society of the Province and at least one (1) member who has experience in assessment appeals in the Province.

(3) Each member of the Assessment Review Board must hold office for a period of three (3) years unless the member resigns or is removed from office in accordance with this Law.

(4) If a member of the Assessment Review Board is absent, disqualified, unable or unwilling to act, Council may appoint another person, who would otherwise be qualified for appointment as a member, to replace the member until the member returns to duty or the member's term expires, whichever comes first.

22.(1) The Delegate must remunerate

(a) the chair (or acting chair) at the maximum rate established from time to time by the Province for a part-time chair of a provincial administrative tribunal categorized as Group 1,

(b) is the Chief of a First Nation or a member of Council of a First Nation;

(c) is an employee of the Delegate or of a First Nation; or

(d) has financial dealings with the Delegate or a First Nation, which might reasonably give rise to a conflict of interest or impair that person's ability to deal fairly and impartially with an appeal, as required under the terms of this Law.

(2) For the purposes of paragraph (1)(a), membership in a First Nation does not in itself constitute a personal or financial interest in assessable property.

Appointment of Chair

24.(1) The Delegate must appoint one of the members of the Assessment Review Board as chair.

(2) The chair must

(a) supervise and direct the work of the Assessment Review Board;

(b) undertake administrative duties as necessary to oversee and implement the work of the Assessment Review Board;

Duty of Member

27. In performing their duties under this Law, the members of the Assessment Review Board must act faithfully, honestly and impartially and to the best of their skill and ability, and must not disclose to any person information obtained by them as a member, except in the proper performance of their duties.

(3) Notwithstanding subsection (2), the chair is not required to deliver a Notice of Hearing to a holder of a property affected by an assessor recommendation under subsection 18(1) where the recommendation

(a) results in a decrease in the assessed value of the property;

(b) does not change the classification of the property; and

(c) does not result in the removal of an exemption.

Parties

32. The parties in a hearing, except as provided in subsection 31(3), are

36.(1) The Assessment Review Board must give all parties a reasonable opportunity to be heard at a hearing.

(2) A party may be represented by counsel or an agent and may make submissions as to facts, law and jurisdiction.

(3) The Assessment Review Board may conduct a hearing whether the complainant is present or not, provided the complainant was given notice of the hearing in accordance with this Law.

(4) The burden of proof in an appeal is on the person bringing the appeal.

(5) In an oral hearing, a party may call and examine witnesses, present evidence and submissions and conduct cross-examination of witnesses as reasonably required by the Assessment Review Board for a full and fair disclosure of all matters relevant to the issues in the appeal.

(6) The Assessment Review Board may reasonably limit further examination or cross-examination of a witness if it is satisfied that the examination or cross-examination has been sufficient to disclose fully and fairly all matters relevant to the issues in the appeal.

(7) The Assessment Review Board may question any witness who gives oral evidence at a hearing.

(8) The Assessment Review Board may receive and accept information that it considers relevant, necessary and appropriate, whether or not the information would be admissible in a court of law.

(3) The Assessment Review Board must give written reasons for any dismissal made under subsection (1) to all parties.

Quorum

39.(1) A majority of the members of the Assessment Review Board constitutes a quorum, provided that there must not be less than three (3) members present at any time.

40. A decision of the majority of the members is a decision of the Assessment Review Board and, in the case of a tie, the decision of the chair governs.

Combining Hearings

41. The Assessment Review Board may conduct a single hearing of two (2) or more appeals or assessor recommendations related to the same assessment if the matters in each hearing are addressing the same assessable property or substantially the same issues.

by issuing an Order to Attend Hearing/Produce Documents and serving it on the person at least two (2) days before the person's attendance or the requested document is required at the hearing, as the case may be.

(2) Where an order is made under paragraph (1)(a), the Assessment Review Board must pay to the person a twenty dollar ($20) witness fee plus reasonable travel expenses to attend and give evidence before the Assessment Review Board.

(3) A party may request that the Assessment Review Board make an order under subsection (1) to a person specified by the party.

(4) Where a party makes a request under subsection (3),

(a) the chair must sign and issue an Order to Attend Hearing/Produce Documents and the party must serve it on the witness at least two (2) days before the person's attendance or the requested document is required at the hearing, as the case may be; and

(b) a party requesting the attendance of a witness must pay a twenty dollar ($20) witness fee plus reasonable travel expenses to the witness to attend and give evidence before the Assessment Review Board.

45. The Assessment Review Board may make orders requiring a party

(a) to pay all or part of the costs of another party in respect of the appeal,

(b) to pay all or part of the costs of the Assessment Review Board in respect of the appeal,

where the Assessment Review Board considers the conduct of a party has been improper, vexatious, frivolous or abusive.

Reference on Question of Law

46.(1) At any stage of a proceeding before it, the Assessment Review Board, on its own initiative or at the request of one or more of the parties, may refer a question of law in the proceeding to a court of competent jurisdiction in the form of a stated case.

(2) The stated case must be in writing and filed with the court registry and must include a statement of the facts and all evidence material to the stated case.

(3) The Assessment Review Board must

(a) suspend the proceeding as it relates to the stated case and reserve its decision until the opinion of the court has been given; and

(b) decide the appeal in accordance with the court's opinion.

Matters before the Courts

47. If a proceeding with respect to liability to pay taxes in respect of assessable property that is the subject of an appeal is brought before a court of competent jurisdiction

(a) before the hearing is to commence, the hearing must be deferred until the matter is decided by the court;

(b) during the hearing, the hearing must be adjourned until the matter is decided by the court; or

(c) after the hearing has concluded but before a decision on the appeal is given, the decision must be deferred until the matter is decided by the court.

TAKE NOTICE that taxes, penalties and interest in the amount of _____ dollars ($_____) remain unpaid and are due and owing in respect of the taxable property.

AND TAKE NOTICE that a Tax Arrears Certificate dated _____ was delivered to you in respect of these unpaid taxes.

AND TAKE NOTICE that failure to pay the full amount of the unpaid tax debt within six (6) months after service of this Notice may result in the tax administrator, pursuant to Part XIV of the *Grass 15 Reserve Property Taxation Law, 2016*, seizing and selling a right to an assignment of the taxable property by public tender [auction] as follows:

1. The public tender [auction], including the conditions that are attached to the acceptance of an offer, shall be conducted in accordance with the procedures prescribed by the Ch-ihl-kway-uhk Tribe Society a copy of which may be obtained from the tax administrator.

2. The tax administrator will

   (a) publish a Notice of Sale of a Right to Assignment of Taxable Property in the _____ newspaper at least once in each of the four (4) weeks preceding the date of the sale; and

   (b) post the Notice of Sale of a Right to Assignment of Taxable Property in a prominent place on the reserve not less than ten (10) days preceding the date of the sale.

3. The Notice of Sale of a Right to Assignment of Taxable Property will set out the upset price for the right to assignment of the taxable property and any conditions attached to the acceptance of a bid.

4. The upset price will be not less than the total amount of the taxes, interest and penalties payable, calculated to the end of the redemption period, plus five percent (5%) of that total. The upset price is the lowest price for which the right to assignment of the taxable property will be sold.

5. The tax administrator will conduct the public tender [auction] at the time and place set out in the Notice of Sale of a Right to Assignment of Taxable Property, unless it is necessary to adjourn in which case a further notice will be published.

6. If at the public tender [auction] there is no bid that is equal to or greater than the upset price, the Ch-ihl-kway-uhk Tribe Society will be deemed to have purchased the right to an assignment of the taxable property for the amount of the upset price.

7. The debtor may redeem the right to an assignment of the taxable property after the sale by paying to the Ch-ihl-kway-uhk Tribe Society the amount of the upset price plus three percent (3%), any time within three (3) months after the holding of the public tender [auction] in respect of the taxable property (hereinafter referred to as the "redemption period"). Where the right to an assignment is redeemed, the Ch-ihl-kway-uhk Tribe Society will, without delay, repay to the bidder the amount of the bid.

8. A sale of a right to an assignment of taxable property by public tender [auction] is not complete, and no assignment of the taxable property will be made, until the expiration of the redemption period. If the right to an assignment of the taxable property is not redeemed within the redemption period, then on the expiration of the redemption period, the Ch-ihl-kway-uhk Tribe Society will assign the taxable property to the highest bidder or to itself as the deemed purchaser, as applicable. The taxable property will not be assigned to any person or entity who would not have been capable under the *Indian Act* or the *First Nations Land Management Act* of obtaining the interest or right constituting the taxable property.

9. The Ch-ihl-kway-uhk Tribe Society will, without delay, notify the Minister of Indian Affairs and Northern Development in writing of the sale of a right to an assignment of the taxable property and of any redemption of the right to an assignment of the taxable property.

10. The tax administrator will register the assignment of the taxable property in every registry in which the taxable property is registered at the time of the assignment.

11. An assignment of the taxable property operates

(a) as a transfer to the bidder or the Ch-ihl-kway-Tribe Society, as the case may be, from the debtor of the taxable property, without an attestation or proof of execution, and

(b) to extinguish all the right, title and interest of every previous holder of the taxable property, or those claiming under a previous holder, and all claims, demands, payments, charges, liens, judgments, mortgages and encumbrances of every type, and whether or not registered, subsisting at the time the assignment is registered, except an easement, restrictive covenant, building scheme or right-of-way registered against the interest in land.

12. Upon assignment of the taxable property, the debtor will be required to immediately vacate the taxable property, and any rights or interests held by the debtor in the taxable property, including the improvements, will be transferred in full to the purchaser.

13. The proceeds of sale of the taxable property will be paid first to the Ch-ihl-kway-uhk Tribe Society, then to any other holders of registered interests in the taxable property in order of their priority at law. Any moneys in excess of these amounts will be paid to the debtor in accordance with the *Grass 15 Reserve Property Taxation Law, 2016*.

(16) Except as otherwise provided in this Law, for the purposes of assessing interests in land the assessor must use

(a) the valuation methods, rates, rules and formulas established under provincial assessment legislation existing at the time of assessment; and

the assessor must assess the interest in land on a supplementary assessment roll, or further supplementary assessment roll, in the same manner that it should have been assessed, but only if the failure to assess the interest in land, or the assessment for less than it was liable to be assessed, is attributable to

(d) a holder's concealment of particulars relating to assessable property,

(e) a person's failure to respond to a request for information under subsection 8(1), or

(f) a person's making of an incorrect response to a request for information under subsection 8(1),

(5) Any person who shares the same interest in taxable property is jointly and severally liable to Kanaka for all taxes imposed on that taxable property under this Law during the taxation year and for all unpaid taxes imposed in a previous taxation year, including, for clarity, interest, penalties and costs as provided in this Law.

(3) Where the tax administrator has reasonable grounds to believe that a debtor intends to remove his or her personal property from the reserve, or intends to dismantle or remove his or her improvements on the reserve, or take any other actions that may prevent or impede the collection of unpaid taxes owing under this Law, the tax administrator may apply to a court of competent jurisdiction for a remedy, notwithstanding that the time for payment of taxes has not yet expired.

DESCRIPTION OF INTEREST IN LAND: _____
(the "taxable property")

_____

TAKE NOTICE that taxes, penalties and interest in the amount of _____ dollars ($_____) remain unpaid and are due and owing in respect of the taxable property.

AND TAKE NOTICE that a Tax Arrears Certificate dated _____ was delivered to you in respect of these unpaid taxes.

AND TAKE NOTICE that failure to pay the full amount of the unpaid tax debt within six (6) months after service of this Notice may result in the tax administrator, pursuant to section 35(3) of the *Kanaka Bar Indian Band Property Taxation Law, 2015*, seizing and selling a right to an assignment of the taxable property by public tender [auction] as follows:

The public tender [auction], including the conditions that are attached to the acceptance of an offer, shall be conducted in accordance with the procedures prescribed by the Council of the Kanaka Bar Indian Band, a copy of which may be obtained from the tax administrator.

The tax administrator will

(a) publish a Notice of Sale of a Right to Assignment of Taxable Property in the _____ newspaper at least once in each of the four (4) weeks preceding the date of the sale; and

(b) post the Notice of Sale of a Right to Assignment of Taxable Property in a prominent place on the reserve not less than ten (10) days preceding the date of the sale.

The Notice of Sale of a Right to Assignment of Taxable Property will set out the upset price for the right to assignment of the taxable property and any conditions attached to the acceptance of a bid.

The upset price will be not less than the total amount of the taxes, interest and penalties payable, calculated to the end of the redemption period, plus five percent (5%) of that total. The upset price is the lowest price for which the right to assignment of the taxable property will be sold.

The tax administrator will conduct the public tender [auction] at the time and place set out in the Notice of Sale of a Right to Assignment of Taxable Property, unless it is necessary to adjourn in which case a further notice will be published.

If at the public tender [auction] there is no bid that is equal to or greater than the upset price, Kanaka will be deemed to have purchased the right to an assignment of the taxable property for the amount of the upset price.

The debtor may redeem the right to an assignment of the taxable property after the sale by paying to Kanaka the amount of the upset price plus three percent (3%), any time within three (3) months after the holding of the public tender [auction] in respect of the taxable property

(hereinafter referred to as the "redemption period"). Where the right to an assignment is redeemed, Kanaka will, without delay, repay to the bidder the amount of the bid.

A sale of a right to an assignment of taxable property by public tender [auction] is not complete, and no assignment of the taxable property will be made, until the expiration of the redemption period. If the right to an assignment of the taxable property is not redeemed within the redemption period, then on the expiration of the redemption period, Kanaka will assign the taxable property to the highest bidder or to itself as the deemed purchaser, as applicable. The taxable property will not be assigned to any person or entity who would not have been capable under the Indian Act or the First Nations Land Management Act of obtaining the interest or right constituting the taxable property.

Council of the Kanaka Bar Indian Band will, without delay, notify the Minister of Indian Affairs and Northern Development in writing of the sale of a right to an assignment of the taxable property and of any redemption of the right to an assignment of the taxable property.

The tax administrator will register the assignment of the taxable property in every registry in which the taxable property is registered at the time of the assignment.

An assignment of the taxable property operates

(a) as a transfer to the bidder or Kanaka, as the case may be, from the debtor of the taxable property, without an attestation or proof of execution, and

(b) to extinguish all the right, title and interest of every previous holder of the taxable property, or those claiming under a previous holder, and all claims, demands, payments, charges, liens, judgments, mortgages and encumbrances of every type, and whether or not registered, subsisting at the time the assignment is registered, except an easement, restrictive covenant, building scheme or right-of-way registered against the interest in land.

Upon assignment of the taxable property, the debtor will be required to immediately vacate the taxable property, and any rights or interests held by the debtor in the taxable property, including the improvements, will be transferred in full to the purchaser.

The proceeds of sale of the taxable property will be paid first to Kanaka, then to any other holders of registered interests in the taxable property in order of their priority at law. Any moneys in excess of these amounts will be paid to the debtor in accordance with the *Kanaka Bar Indian Band Property Taxation Law*, 2015.

SCHEDULE – Avoiding And Mitigating Conflicts Of Interest

PART I - Interpretation

Interpretation

1.(1) In this Schedule:

"spouse" means, in relation to an individual, a person to whom the individual is married or with whom the individual has lived as a common law partner for at least one (1) year in a marriage-like relationship; and

"this Law" means the Financial Administration Law to which this Schedule is attached and forms a part.

(2) Except as otherwise expressly provided in this Schedule, words and expressions used in this Schedule have the same meanings as in this Law.

(3) Sections 3 and 5 of this Law apply to this Schedule.

(4) If there is a conflict between a provision of this Schedule and this Law, the provision of this Law applies.

Definition of Conflict of Interest

2.(1) In this Schedule, an individual has a "conflict of interest" when the individual exercises a power or performs a duty or function and at the same time knows or ought reasonably to have known that in the exercise of the power or performance of the duty or function there is an opportunity to benefit the individual's private interests.

(2) In this Schedule, an individual has an "apparent conflict of interest" if a reasonably well-informed person would perceive that the individual's ability to exercise a power or perform a duty or function of their office or position must be affected by the individual's private interests.

(3) In this Schedule, an individual's "private interests" means the individual's personal and business interests and include the personal and business interests of

(a) the individual's spouse,

(b) a person under the age of eighteen (18) years in respect of whom the individual or the individual's spouse is a parent or acting in a parental capacity,

(c) a person in respect of whom the individual or the individual's spouse is acting as guardian,

(d) a person, other than an employee, who is financially dependent upon the individual or the individual's spouse or on whom the individual is financially dependent, and

(e) an entity in which the individual or the individual in combination with any other person described in this subsection has a controlling interest.

(4) Despite subsections (1) and (2), an individual's private interests do not give rise to a conflict of interest if those interests

(a) are the same as those of a broad class of members of the First Nation of which the individual is a member; or

(b) are so remote or insignificant that they could not be reasonably regarded as likely to influence the individual in the exercise of a power or performance of a duty or function.

Procedure for Undisclosed Conflict of Interest

9.(1) If a councillor has reason to believe that another councillor has a conflict of interest or an apparent conflict of interest in respect of a matter before the Council, the councillor may request clarification of the circumstances at a Council meeting.

(2) If, as a result of a clarification discussion under subsection (1), a councillor is alleged to have a conflict of interest or an apparent conflict of interest and the councillor does not acknowledge the conflict of interest or apparent conflict of interest and take the actions required under section 8, the Council must determine whether the councillor has a conflict of interest or an apparent conflict of interest before the Council considers the matter referred to in subsection (1).

(3) The minutes of the Council meeting must record any determination made by the Council under subsection (2).

(2) An assessor appointed by Council must be qualified to conduct assessments of real property in the Province.

Application of Law

4. This Law applies to all interests in land.

PART IV

ASSESSED VALUE

Assessment and Valuation

5.(1) The assessor must assess all interests in land that are subject to taxation under the Taxation Law and all interests in land for which payments-in-lieu may be accepted by Council.

(2) For the purpose of determining the assessed value of an interest in land for an assessment roll, the valuation date is July 1 of the year before the taxation year for which the assessment applies.

(3) The assessed value of an interest in land for an assessment roll is to be determined as if on the valuation date

(a) the interest in land was in the physical condition that it is in on October 31 following the valuation date; and

(b) the permitted use of the interest in land was the same as on October 31 following the valuation date.

(4) Paragraph (3)(a) does not apply to property referred to in paragraphs 17(3)(b) and (d) and the assessed value of property referred to in that section for an assessment roll must be determined as if on the valuation date the property was in the physical condition that it is in on December 31 following the valuation date.

(5) Except where otherwise provided, the assessor must assess interests in land at their market value as if held in fee simple off the reserve.

(6) The assessor must determine the assessed value of an interest in land and must enter the assessed value of the interest in land in the assessment roll.

(7) In determining assessed value, the assessor may, except where this Law has a different requirement, give consideration to the following:

(a) present use;

(b) location;

(c) original cost;

(d) replacement cost;

(e) revenue or rental value;

(f) selling price of the interest in land and comparable interests in land;

(g) economic and functional obsolescence; and

(h) any other circumstances affecting the value of the interest in land.

(8) Without limiting the application of subsections (5) and (6), an interest in land used for an industrial or commercial undertaking, a business or a public utility enterprise must be valued as the property of a going concern.

(9) Where a lease or other instrument granting an interest in land places a restriction on the use of the property, other than a right of termination or a restriction on the duration of the interest in land, the assessor must consider the restriction.

(10) Council hereby establishes those property classes established by the Province for provincial property assessment purposes that are set out in Schedule I, for the purposes of assessment under this Law and imposing taxes under the Taxation Law.

(11) The assessor must

(a) assess interests in land according to the property classes established under subsection (10); and

(b) use the provincial classification rules for each property class.

(12) Where a property falls into two or more property classes, the assessor must determine the share of the assessed value of the property attributable to each class and assess the property according to the proportion each share constitutes of the total assessed value.

(13) Where two or more persons are holders of assessable property, the assessor may choose to assess the property in the name of any of those persons or in the names of two or more of those persons jointly.

(14) If a building or other improvement extends over more than one property, those properties, if contiguous, may be treated by the assessor as one property and assessed accordingly.

(15) Where an improvement extends over, under or through land and is owned, occupied, maintained, operated or used by a person other than the holder of the land, that improvement may be separately assessed to the person owning, occupying, maintaining, operating or using it, even though some other person holds an interest in the land.

Protection of Privacy in Assessment Roll

14.(1) On application by a holder, the assessor may omit or obscure the holder's name, address or other information about the holder that would ordinarily be included in an assessment roll if, in the assessor's opinion, the inclusion of the name, address or other information could reasonably be expected to threaten the safety or mental or physical health of the holder or a member of the holder's household.

(3) A person whose name appears in the assessment roll must give written notice to the assessor of any change of address.

(4) Any number of interests in land assessed in the name of the same holder may be included in one Assessment Notice.

(6) Subject to subsection 13(2) and subsection (7), the assessor must provide, to any person who requests it and pays to the assessor the fee of $6, the information contained in the current Assessment Notice sent by the assessor.

(3) Without limiting subsection (1), the assessor must give notice to the Assessment Review Board and recommend correction of the assessment roll in any of the following circumstances:

(a) because of a change in a holder that occurs before January 1 in a taxation year that is not reflected in the certified assessment roll and that results in

(i) land or improvements, or both, that were not previously subject to taxation becoming subject to taxation, or

(ii) land or improvements, or both, that were previously subject to taxation ceasing to be subject to

taxation;

(b) after October 31 and before the following January 1, a manufactured home is moved to a new location or destroyed;

(c) after October 31 and before the following January 1, a manufactured home is placed on land that has been assessed or the manufactured home is purchased by the holder of land that has been assessed; and

(d) improvements, other than a manufactured home, that

(i) are substantially damaged or destroyed after October 31 and before the following January 1, and

(ii) cannot reasonably be repaired or replaced before the following January 1.

(4) Except as provided in section 18, or pursuant to an order of a court of competent jurisdiction, the assessor must not make any amendments to the assessment roll after March 31 of the current taxation year.

(5) Where the assessment roll is amended under subsection (1), the assessor must mail an amended Assessment Notice to every person named in the assessment roll in respect of the interest in land affected.

Supplementary Assessment Roll

18.(1) If, after the certification of the revised assessment roll or where there is no revised assessment roll, after March 31, the assessor finds that any interest in land

(a) was liable to assessment for the current taxation year, but has not been assessed on the current assessment roll, or

(b) has been assessed for less than the amount for which it was liable to assessment,

the assessor must assess the interest in land on a supplementary assessment roll, or further supplementary assessment roll, in the same manner that it should have been assessed on the current assessment roll, provided that a supplementary assessment roll under this section must not be prepared after December 31 of the taxation year in which the assessment roll certified under section 10 applies.

(2) If, after the certification of the revised assessment roll or where there is no revised assessment roll, after March 31, the assessor finds that an interest in land

(a) was liable to assessment for a previous taxation year, but has not been assessed on the assessment roll for that taxation year, or

(b) has been assessed in a previous taxation year for less than the amount for which it was liable to assessment,

the assessor must assess the interest in land on a supplementary assessment roll, or further supplementary assessment roll, in the same manner that it should have been assessed, but only if the failure to assess the interest in land, or the assessment for less than it was liable to be assessed, is attributable to

(c) a holder's failure to disclose,

(d) a holder's concealment of particulars relating to assessable property,

(e) a person's failure to respond to a request for information under subsection 7(1), or

(f) a person's making of an incorrect response to a request for information under subsection 7(1),

as required under this Law.

(3) In addition to supplementary assessments under subsections (1) and (2), the assessor may, at any time before December 31 of the taxation year in which the assessment roll certified under section 10 applies, correct errors and omissions in the assessment roll by means of entries in a supplementary assessment roll.

(4) The duties imposed on the assessor with respect to the assessment roll and the provisions of this Law relating to assessment rolls, so far as they are applicable, apply to supplementary assessment rolls.

(5) Where the assessor receives a decision of the Assessment Review Board after March 31 in a taxation year, the assessor must create a supplementary assessment roll reflecting the decision of the Assessment Review Board and this section applies.

(6) Nothing in this section authorizes the assessor to prepare a supplementary assessment roll that would be contrary to an amendment ordered or directed by the Assessment Review Board or by a court of competent jurisdiction.

(7) A supplementary assessment roll that implements an amendment ordered or directed by the Assessment Review Board or by a court of competent jurisdiction may not be appealed to the Assessment Review Board.

(8) The assessor must, as soon as practicable, after issuing a supplementary assessment roll

(a) deliver a certified copy of the supplementary assessment roll to the Council;

(b) where the supplementary assessment roll reflects a decision of the Assessment Review Board, deliver a certified copy of the supplementary assessment roll to the chair; and

(c) mail an amended Assessment Notice to every person named on the assessment roll in respect of the interest in land affected.

(9) Where a supplementary assessment roll is issued under this Law, the supplementary assessment roll is deemed to be effective as of the date the assessment roll was certified under section 10 in respect of the assessable property affected.

PART VIII

RECONSIDERATION OF ASSESSMENT

Reconsideration by Assessor

19.(1) A person named on the assessment roll in respect of an assessable property may request that the assessor reconsider the assessment of that assessable property.

(2) A request for reconsideration may be made on one or more of the grounds on which an assessment appeal may be made under this Law.

(3) A request for reconsideration of an assessment must

(a) be delivered to the assessor within 21 days after the day that the Assessment Notice is mailed or e-mailed to the person named on the assessment roll in respect of an assessable property;

(b) be made in writing and include the information set out in Schedule V; and

(c) include any reasons in support of the request.

(4) The assessor must consider the request for reconsideration and, within 21 days after receiving the request for reconsideration, either

(a) advise the person who requested the reconsideration that the assessor confirms the assessment; or

(b) where the assessor determines that the assessable property should have been assessed differently, offer to the person who requested the reconsideration to modify the assessment.

(5) Where the person who requested the reconsideration agrees with the modification proposed by the assessor, the assessor must

(a) amend the assessment roll as necessary to reflect the modified assessment;

(b) give notice of the amended assessment to the tax administrator and to all other persons who received the Assessment Notice in respect of the assessable property; and

(c) where a Notice of Appeal has been delivered in respect of the assessable property, advise the Assessment Review Board of the modification.

(6) Where the person who requested the reconsideration accepts an offer to modify an assessment, that person must not appeal the modified assessment and must withdraw any Notice of Appeal filed in respect of the assessable property.

PART IX

ASSESSMENT REVIEW BOARD

Council to Establish Assessment Review Board

20.(1) Council must, by resolution, establish an Assessment Review Board to

(a) consider and determine all recommendations from the assessor under subsection 17(1); and

(b) hear and determine assessment appeals under this Law.

(2) The Assessment Review Board must consist of not less than three members, including at least one member who is a practising or non-practising member in good standing of the law society of the Province, and at least one member who has experience in assessment appeals in the Province.

(3) The Assessment Review Board must consist of at least one member who is a member of the First Nation but not a member of Council.

(4) Each member of the Assessment Review Board must hold office for a period of three years unless the member resigns or is removed from office in accordance with this Law.

(b) is the Chief of the First Nation or a member of Council;

(d) has financial dealings with the First Nation, which might reasonably give rise to a conflict of interest or impair that person's ability to deal fairly and impartially with an appeal, as required under the terms of this Law.

(2) For the purposes of paragraph (1)(a), membership in the First Nation does not in itself constitute a personal or financial interest in assessable property.

Appointment of Chair

(2) The chair must

(a) supervise and direct the work of the Assessment Review Board;

(2) The chair must, at least 10 days before the hearing, deliver a Notice of Hearing, setting out the date, time and place of the hearing, to the parties and to each person named on the assessment roll in respect of the assessable property.

(3) Notwithstanding subsection (2), the chair is not required to deliver a Notice of Hearing to a holder of a property affected by an assessor recommendation under subsection 17(1) where the recommendation

(c) does not result in the removal of an exemption.

Parties

31. The parties in a hearing, except as provided in subsection 30(3), are

(c) the assessor; and

(a) create a daily schedule for the hearings of the Assessment Review Board; and

(b) post the daily schedule at the place where the Assessment Review Board is to meet.

(2) The Assessment Review Board must proceed to deal with appeals and assessor recommendations in accordance with the daily schedule, unless the Assessment Review Board considers a change in the schedule necessary and desirable in the circumstances.

(2) A party may be represented by counsel or an agent and may make submissions as to facts, law and jurisdiction.

(3) The Assessment Review Board may conduct a hearing whether the complainant is present or not, provided the complainant was given notice of the hearing in accordance with this Law.

(4) The burden of proof in an appeal is on the person bringing the appeal.

(5) In an oral hearing, a party may call and examine witnesses, present evidence and submissions and conduct cross-examination of witnesses as reasonably required by the Assessment Review Board for a full and fair disclosure of all matters relevant to the issues in the appeal.

(6) The Assessment Review Board may reasonably limit further examination or cross-examination of a witness if it is satisfied that the examination or cross-examination has been sufficient to disclose fully and fairly all matters relevant to the issues in the appeal.

by issuing an Order to Attend Hearing/Produce Documents and serving it on the person at least two days before the person's attendance or the requested document is required at the hearing, as the case may be.

(2) Where an order is made under paragraph (1)(a), the Assessment Review Board must pay to the

(3) A party may request that the Assessment Review Board make an order under subsection (1) to a person specified by the party.

(4) Where a party makes a request under subsection (3),

(a) the chair must sign and issue an Order to Attend Hearing/Produce Documents and the party must serve it on the witness at least two days before the person's attendance or the requested document is required at the hearing, as the case may be; and

(b) a party requesting the attendance of a witness must pay a $20 witness fee plus reasonable travel expenses to the witness to attend and give evidence before the Assessment Review Board.

(b) decide the appeal in accordance with the court's opinion.

Matters before the Courts

ADMINISTRATION

Assessor

3.(1) Council must appoint one or more assessors to undertake assessments of assessable property in accordance with this Law and such other duties as set out in this Law or as directed by Council.

(2) An assessor appointed by Council must be qualified to conduct assessments of real property in the Province.

Application of Law

4. This Law applies to all interests in land.

PART IV
ASSESSED VALUE

Assessment and Valuation

5.(1) The assessor must assess all interests in land that are subject to taxation under the Taxation Law and all interests in land for which payments-in-lieu may be accepted by Council.

(2) For the purpose of determining the assessed value of an interest in land for an assessment roll, the valuation date is July 1 of the year before the taxation year for which the assessment applies.

(3) The assessed value of an interest in land for an assessment roll is to be determined as if on the valuation date

(a) the interest in land was in the physical condition that it is in on October 31 following the valuation date; and

(b) the permitted use of the interest in land was the same as on October 31 following the valuation date.

(4) Paragraph (3)(a) does not apply to property referred to in paragraphs 17(3)(b) and (d) and the assessed value of property referred to in that section for an assessment roll must be determined as if on the valuation date the property was in the physical condition that it is in on December 31 following the valuation date.

(5) Except where otherwise provided, the assessor must assess interests in land at their market value as if held in fee simple off the reserve.

(6) The assessor must determine the assessed value of an interest in land and must enter the assessed value of the interest in land in the assessment roll.

(7) In determining assessed value, the assessor may, except where this Law has a different requirement, give consideration to the following:

(a) present use;

(b) location;

(c) original cost;

(d) replacement cost;

(e) revenue or rental value;

(f) selling price of the interest in land and comparable interests in land;

(g) economic and functional obsolescence; and

(h) any other circumstances affecting the value of the interest in land.

(8) Without limiting the application of subsections (5) and (6), an interest in land used for an industrial or commercial undertaking, a business or a public utility enterprise must be valued as the property of a going concern.

(9) Where a lease or other instrument granting an interest in land places a restriction on the use of the property, other than a right of termination or a restriction on the duration of the interest in land, the assessor must consider the restriction.

(10) Council hereby establishes those property classes established by the Province for provincial property assessment purposes that are set out in Schedule I, for the purposes of assessment under this Law and imposing taxes under the Taxation Law.

(11) The assessor must

(a) assess interests in land according to the property classes established under subsection (10); and

(b) use the provincial classification rules for each property class.

(12) Where a property falls into two (2) or more property classes, the assessor must determine the share of the assessed value of the property attributable to each class and assess the property according to the proportion each share constitutes of the total assessed value.

(13) Where two (2) or more persons are holders of assessable property, the assessor may choose to assess the property in the name of any of those persons or in the names of two (2) or more of those persons jointly.

(14) If a building or other improvement extends over more than one (1) property, those properties, if contiguous, may be treated by the assessor as one property and assessed accordingly.

(15) Where an improvement extends over, under or through land and is owned, occupied, maintained, operated or used by a person other than the holder of the land, that improvement may be separately assessed to the person owning, occupying, maintaining, operating or using it, even though some other person holds an interest in the land.

(16) Except as otherwise provided in this Law, for the purposes of assessing interests in land the assessor must use

(a) the valuation methods, rates, rules and formulas established under provincial assessment legislation existing at the time of assessment; and

(b) the assessment rules and practices used by assessors in the Province for conducting assessments off the reserve.

Exemption from Assessment

6. Notwithstanding any other provision in this Law, improvements designed, constructed or installed to provide emergency protection for persons or domestic animals in the event of a disaster or emergency within the meaning of the *Emergency Program Act* (BC) are exempt from assessment under this Law.

PART V
REQUESTS FOR INFORMATION AND INSPECTIONS

Requests for Information

7.(1) The assessor may deliver a Request for Information containing the information set out in Schedule II, to a holder or a person who has disposed of assessable property, and that person must provide to the assessor, within fourteen (14) days from the date of delivery or a longer period as specified in the notice, information for any purpose related to the administration of this Law.

(2) The assessor may in all cases assess the assessable property based on the information available to him or her and is not bound by the information provided under subsection (1).

Inspections

8.(1) The assessor may, for any purposes related to assessment, enter into or on and inspect land and improvements.

(2) The assessor may enter onto any property and may examine any property

(a) to determine an assessment of land and improvements, in respect of which the assessor thinks a person may be liable to assessment; or

(b) to confirm an assessment.

(3) The assessor must be given access to, and may examine and take copies of and extracts from, the books, accounts, vouchers, documents and appraisals of the person referred to in paragraph (2)(a) who must, on request, furnish every facility and assistance required for the entry and examination.

PART VI

(a) certify in writing in substantially the form set out in Schedule X that the revised assessment roll was completed in accordance with the requirements of this Law; and

(b) deliver a copy of the certified revised assessment roll to Council and to the chair.

(3) On certification under this section, the revised assessment roll becomes the assessment roll for the taxation year and it is deemed to be effective as of the date the assessment roll was certified under section 10.

Validity of Assessment Roll

12. An assessment roll is effective on certification and unless amended in accordance with this Law, by a decision of the Assessment Review Board or by an order of a court of competent jurisdiction, is

(a) valid and binding on all parties concerned, despite any

(i) omission, defect or error committed in, or with respect to, the assessment roll,

(ii) defect, error or misstatement in any notice required, or

(iii) omission to mail any notice required; and

(b) for all purposes, the assessment roll of the First Nation until the next certified assessment roll or certified revised assessment roll.

Inspection and Use of Assessment Roll

13.(1) On receipt by Council, the assessment roll is open to inspection in the First Nation office by any person during regular business hours.

(2) In addition to inspection under subsection 13(1), Council may allow the assessment roll to be inspected electronically through an online service, provided that the information available online does not include any names or other identifying information about a holder or other person.

(3) A person must not, directly or indirectly, use the assessment roll or information contained in the assessment roll to

(a) obtain names, addresses or telephone numbers for solicitation purposes, whether the solicitations are made by telephone, mail or any other means; or

(b) harass an individual.

(4) The tax administrator may require a person who wishes to inspect the assessment roll to complete a declaration in substantially the form set out in Schedule III

(a) specifying the purpose for which the information is to be used; and

(b) certifying that the information contained in the assessment roll will not be used in a manner prohibited under this section.

Protection of Privacy in Assessment Roll

14.(1) On application by a holder, the assessor may omit or obscure the holder's name, address or other information about the holder that would ordinarily be included in an assessment roll if, in the assessor's opinion, the inclusion of the name, address or other information could reasonably be expected to threaten the safety or mental or physical health of the holder or a member of the holder's household.

(2) Where the assessor omits or obscures information under subsection (1), such information must be obscured from all assessment rolls that are available for public inspection under subsection 13(1) or are otherwise accessible to the public.

Chargeholders

15.(1) Any person holding a charge on assessable property may, at any time, give notice, with full particulars of the nature, extent and duration of the charge, to the assessor and request that his or her name be added to the assessment roll in respect of that assessable property, for the duration of the charge.

(2) On receipt of a notice and request under this section, the assessor must enter the person's name and address on the assessment roll and provide copies of all assessment notices issued in respect of the assessable property.

Assessment Notice

16.(1) The assessor must, on or before December 31 of each year, mail an Assessment Notice to every person named in the assessment roll in respect of each assessable property, at the person's address on the assessment roll.

(2) Where requested by the recipient, an Assessment Notice may be e-mailed to a person named on the assessment roll, and the Assessment Notice is deemed to have been delivered on the date that the e-mail is sent by the assessor.

(3) A person whose name appears in the assessment roll must give written notice to the assessor of any change of address.

(4) Any number of interests in land assessed in the name of the same holder may be included in one Assessment Notice.

(5) If several interests in land are assessed in the name of the same holder at the same value, the Assessment Notice may clearly identify the property assessed, without giving the full description of each property as it appears in the assessment roll.

(6) Subject to subsection 13(2) and subsection (7), the assessor must provide, to any person who requests it and pays to the assessor the fee of six dollars ($6), the information contained in the current Assessment Notice sent by the assessor.

(7) Where information has been omitted or obscured under subsection 14(1), the assessor must omit that information from a notice provided under subsection (6).

PART VII

ERRORS AND OMISSIONS IN ASSESSMENT ROLL

Amendments by Assessor

17.(1) Before March 16 in each year after the certification of an assessment roll under section 10, the assessor must notify and recommend correction to the Assessment Review Board of all errors or omissions in the assessment roll, except those errors or omissions corrected under subsection (2) or section 19.

(2) Before March 16 in each year after the certification of an assessment roll under section 10, the assessor may amend an individual entry in the assessment roll to correct an error or omission, with the consent of the

(a) holder of the interest in land; and

(b) the complainant, if the complainant is not the holder.

(3) Without limiting subsection (1), the assessor must give notice to the Assessment Review Board and recommend correction of the assessment roll in any of the following circumstances:

(a) because of a change in a holder that occurs before January 1 in a taxation year that is not reflected in the certified assessment roll and that results in

(i) land or improvements, or both, that were not previously subject to taxation becoming subject to taxation, or

(ii) land or improvements, or both, that were previously subject to taxation ceasing to be subject to taxation;

(b) after October 31 and before the following January 1, a manufactured home is moved to a new location or destroyed;

(c) after October 31 and before the following January 1, a manufactured home is placed on land that has been assessed or the manufactured home is purchased by the holder of land that has been assessed; and

(d) improvements, other than a manufactured home, that

(i) are substantially damaged or destroyed after October 31 and before the following January 1, and

(ii) cannot reasonably be repaired or replaced before the following January 1.

(4) Except as provided in section 18, or pursuant to an order of a court of competent jurisdiction, the assessor must not make any amendments to the assessment roll after March 31 of the current taxation year.

(5) Where the assessment roll is amended under subsection (1), the assessor must mail an amended Assessment Notice to every person named in the assessment roll in respect of the interest in land affected.

Supplementary Assessment Roll

18.(1) If, after the certification of the revised assessment roll or where there is no revised assessment roll, after March 31, the assessor finds that any interest in land

(a) was liable to assessment for the current taxation year, but has not been assessed on the current assessment roll, or

(b) has been assessed for less than the amount for which it was liable to assessment,

the assessor must assess the interest in land on a supplementary assessment roll, or further supplementary assessment roll, in the same manner that it should have been assessed on the current assessment roll, provided that a supplementary assessment roll under this section must not be prepared after December 31 of the taxation year in which the assessment roll certified under section 10 applies.

(2) If, after the certification of the revised assessment roll or where there is no revised assessment roll, after March 31, the assessor finds that an interest in land

(a) was liable to assessment for a previous taxation year, but has not been assessed on the assessment roll for that taxation year, or

(b) has been assessed in a previous taxation year for less than the amount for which it was liable to assessment,

the assessor must assess the interest in land on a supplementary assessment roll, or further supplementary assessment roll, in the same manner that it should have been assessed, but only if the failure to assess the interest in land, or the assessment for less than it was liable to be assessed, is attributable to

(c) a holder's failure to disclose,

(d) a holder's concealment of particulars relating to assessable property,

(e) a person's failure to respond to a request for information under subsection 7(1), or

(f) a person's making of an incorrect response to a request for information under subsection 7(1),

as required under this Law.

(3) In addition to supplementary assessments under subsections (1) and (2), the assessor may, at any time before December 31 of the taxation year in which the assessment roll certified under section 11 applies, correct errors and omissions in the assessment roll by means of entries in a supplementary assessment roll.

(4) The duties imposed on the assessor with respect to the assessment roll and the provisions of this Law relating to assessment rolls, so far as they are applicable, apply to supplementary assessment rolls.

(5) Where the assessor receives a decision of the Assessment Review Board after March 31 in a taxation year, the assessor must create a supplementary assessment roll reflecting the decision of the Assessment Review Board and this section applies.

(6) Nothing in this section authorizes the assessor to prepare a supplementary assessment roll that would be contrary to an amendment ordered or directed by the Assessment Review Board or by a court of competent jurisdiction.

(7) A supplementary assessment roll that implements an amendment ordered or directed by the Assessment Review Board or by a court of competent jurisdiction may not be appealed to the Assessment Review Board.

(8) The assessor must, as soon as practicable, after issuing a supplementary assessment roll

(a) deliver a certified copy of the supplementary assessment roll to the Council;

Application of Law

5. This Law applies to all interests in land.

PART IV
ASSESSED VALUE

Assessment and Valuation

6.(1) The assessor must assess

(a) all interests in land that are subject to taxation under the Taxation Law;

(b) all interests in land for which payments-in-lieu may be accepted by Council; and

(c) non-taxable interests in land, as directed by the Council.

(2) For the purpose of determining the assessed value of an interest in land for an assessment roll, the valuation date is July 1 of the year before the taxation year for which the assessment applies.

(3) The assessed value of an interest in land for an assessment roll is to be determined as if on the valuation date

(a) the interest in land was in the physical condition that it is in on October 31 following the valuation date; and

(b) the permitted use of the interest in land was the same as on October 31 following the valuation date.

(4) Paragraph (3)(a) does not apply to property referred to in paragraphs 18(3)(b) and (d) and the assessed value of property referred to in that section for an assessment roll must be determined as if on the valuation date the property was in the physical condition that it is in on December 31 following the

valuation date.

(5) Except where otherwise provided, the assessor must assess interests in land at their market value as if held in fee simple off the reserve.

(6) The assessor must determine the assessed value of an interest in land and must enter the assessed value of the interest in land in the assessment roll.

(7) In determining assessed value, the assessor may, except where this Law has a different requirement, give consideration to the following:

(a) present use;

(b) location;

(c) original cost;

(d) replacement cost;

(e) revenue or rental value;

(f) selling price of the interest in land and comparable interests in land;

(g) economic and functional obsolescence; and

(h) any other circumstances affecting the value of the interest in land.

(8) Without limiting the application of subsections (5) and (6), an interest in land used for an industrial or commercial undertaking, a business or a public utility enterprise must be valued as the property of a going concern.

(9) Where the Malahat Nation, in a lease or other instrument granting an interest in land, places a restriction on the use of the property, other than a right of termination or a restriction on the duration of the interest in land, the assessor must consider the restriction.

(10) The Council hereby establishes those property classes established by the Province for provincial property assessment purposes that are set out in Schedule I, for the purposes of assessment under this Law and imposing taxes under the Taxation Law.

(11) The assessor must

(a) assess interests in land according to the property classes established under subsection (10); and

(b) use the provincial classification rules for each property class.

(12) Where a property falls into two (2) or more property classes, the assessor must determine the share of the assessed value of the property attributable to each class and assess the property according to the proportion each share constitutes of the total assessed value.

(13) Where two (2) or more persons are holders of assessable property, the assessor may choose to assess the property in the name of any of those persons or in the names of two (2) or more of those persons jointly.

(14) If a building or other improvement extends over more than one (1) property, those properties, if contiguous, may be treated by the assessor as one property and assessed accordingly.

(15) Where an improvement extends over, under or through land and is owned, occupied, maintained, operated or used by a person other than the holder of the land, that improvement may be separately assessed to the person owning, occupying, maintaining, operating or using it, even though some other person holds an interest in the land.

Exemption from Assessment

(b) date and initial amendments made to the assessment roll under this section; and

(c) prepare a revised assessment roll.

(2) On completion of the revised assessment roll, the assessor must

(a) certify in writing in substantially the form set out in Schedule XI that the revised assessment roll was completed in accordance with the requirements of this Law; and

(b) deliver a copy of the certified revised assessment roll to the Council and to the chair.

(3) On certification under this section, the revised assessment roll becomes the assessment roll for the taxation year and it is deemed to be effective as of the date the assessment roll was certified under

section 11.

Validity of Assessment Roll

13. An assessment roll is effective on certification and unless amended in accordance with this Law, by a decision of the Assessment Review Board or by an order of a court of competent jurisdiction, is

(a) valid and binding on all parties concerned, despite any

(i) omission, defect or error committed in, or with respect to, the assessment roll,

(ii) defect, error or misstatement in any notice required, or

(iii) omission to mail any notice required; and

(b) for all purposes, the assessment roll of the Malahat Nation until the next certified assessment roll or certified revised assessment roll.

Inspection and Use of Assessment Roll

14.(1) On receipt by Council, the assessment roll is open to inspection in the Malahat Nation office by any person during regular business hours.

(2) In addition to inspection under subsection (1), the Council may allow the assessment roll to be inspected electronically through an online service, provided that the information available online does not include any names or other identifying information about a holder or other person.

(3) A person must not, directly or indirectly, use the assessment roll or information contained in the assessment roll to

(a) obtain names, addresses or telephone numbers for solicitation purposes, whether the solicitations are made by telephone, mail or any other means; or

(b) harass an individual.

(4) The tax administrator may require a person who wishes to inspect the assessment roll to complete a declaration in substantially the form set out in Schedule IV

(a) specifying the purpose for which the information is to be used; and

(b) certifying that the information contained in the assessment roll will not be used in a manner prohibited under this section.

Protection of Privacy in Assessment Roll

15.(1) On application by a holder, the assessor may omit or obscure the holder's name, address or other information about the holder that would ordinarily be included in an assessment roll if, in the assessor's opinion, the inclusion of the name, address or other information could reasonably be expected to threaten the safety or mental or physical health of the holder or a member of the holder's household.

(2) Where the assessor omits or obscures information under subsection (1), such information must be obscured from all assessment rolls that are available for public inspection under subsection 14(1) or are otherwise accessible to the public.

Chargeholders

16.(1) Any person holding a charge on assessable property may, at any time, give notice, with full particulars of the nature, extent and duration of the charge, to the assessor and request that his or her name be added to the assessment roll in respect of that assessable property, for the duration of the charge.

(2) On receipt of a notice and request under this section, the assessor must enter the person's name and address on the assessment roll and provide copies of all assessment notices issued in respect of the assessable property.

17.(1) The assessor must, on or before December 31 of each year, mail an Assessment Notice to every person named in the assessment roll in respect of each assessable property, at the person's address on the assessment roll.

(2) Where requested by the recipient, an Assessment Notice may be e-mailed to a person named on the assessment roll, and the Assessment Notice is deemed to have been delivered on the date that the e-mail is sent by the assessor.

(3) A person whose name appears in the assessment roll must give written notice to the assessor of any change of address.

(4) Any number of interests in land assessed in the name of the same holder may be included in one Assessment Notice.

(5) If several interests in land are assessed in the name of the same holder at the same value, the Assessment Notice may clearly identify the property assessed, without giving the full description of each property as it appears in the assessment roll.

(6) Subject to subsection 14(2) and subsection (7), the assessor must provide the information contained in the current Assessment Notice to any person who requests it and pays to the assessor a fee in the amount prescribed from time to time under the *Assessment Act,* R.S.B.C. 1996, c. 20 for obtaining assessment notice information under that act.

(7) Where information has been omitted or obscured under subsection 15(1), the assessor must omit that information from a notice provided under subsection (6).

PART VII

ERRORS AND OMISSIONS IN ASSESSMENT ROLL

Amendments by Assessor

18.(1) Before March 16 in each year after the certification of an assessment roll under section 11, the assessor must notify and recommend correction to the Assessment Review Board of all errors or omissions in the assessment roll, except those errors or omissions corrected under subsection (2) or section 20.

(2) Before March 16 in each year after the certification of an assessment roll under section 11, the assessor may amend an individual entry in the assessment roll to correct an error or omission, with the consent of the

(a) holder of the interest in land; and

(b) the complainant, if the complainant is not the holder.

(3) Without limiting subsection (1), the assessor must give notice to the Assessment Review Board and recommend correction of the assessment roll in any of the following circumstances:

(a) because of a change in a holder that occurs before January 1 in a taxation year that is not reflected in the certified assessment roll and that results in

(i) land or improvements, or both, that were not previously subject to taxation becoming subject to taxation, or

(ii) land or improvements, or both, that were previously subject to taxation ceasing to be subject to taxation;

(b) after October 31 and before the following January 1, a manufactured home is moved to a new location or destroyed;

(c) after October 31 and before the following January 1, a manufactured home is placed on land that has been assessed or the manufactured home is purchased by the holder of land that has been assessed; and

(d) improvements, other than a manufactured home, that

(i) are substantially damaged or destroyed after October 31 and before the following January 1, and

(ii) cannot reasonably be repaired or replaced before the following January 1.

(4) Except as provided in section 19, or pursuant to an order of a court of competent jurisdiction, the assessor must not make any amendments to the assessment roll after March 31 of the current taxation year.

(5) Where the assessment roll is amended under subsection (1), the assessor must mail an amended Assessment Notice to every person named in the assessment roll in respect of the interest in land affected.

Supplementary Assessment Roll

19.(1) If, after the certification of the revised assessment roll or where there is no revised assessment roll, after March 31, the assessor finds that any interest in land

(a) was liable to assessment for the current taxation year, but has not been assessed on the current assessment roll, or

(b) has been assessed for less than the amount for which it was liable to assessment,

the assessor must assess the interest in land on a supplementary assessment roll, or further supplementary assessment roll, in the same manner that it should have been assessed on the current assessment roll, provided that a supplementary assessment roll under this section must not be prepared after December 31 of the taxation year in which the assessment roll certified under section 11 applies.

(2) If, after the certification of the revised assessment roll or where there is no revised assessment roll, after March 31, the assessor finds that an interest in land

(a) was liable to assessment for a previous taxation year, but has not been assessed on the assessment roll for that taxation year, or

(b) has been assessed in a previous taxation year for less than the amount for which it was liable to assessment,

the assessor must assess the interest in land on a supplementary assessment roll, or further supplementary assessment roll, in the same manner that it should have been assessed, but only if the failure to assess the interest in land, or the assessment for less than it was liable to be assessed, is attributable to

(c) a holder's failure to disclose,

(d) a holder's concealment of particulars relating to assessable property,

(e) a person's failure to respond to a request for information under subsection 8(1), or

(f) a person's making of an incorrect response to a request for information under subsection 8(1),

as required under this Law.

(3) In addition to supplementary assessments under subsections (1) and (2), the assessor may, at any time before December 31 of the taxation year in which the assessment roll certified under section 11 applies, correct errors and omissions in the assessment roll by means of entries in a supplementary assessment roll.

(4) The duties imposed on the assessor with respect to the assessment roll and the provisions of this Law relating to assessment rolls, so far as they are applicable, apply to supplementary assessment rolls.

(5) Where the assessor receives a decision of the Assessment Review Board after March 31 in a taxation year, the assessor must create a supplementary assessment roll reflecting the decision of the Assessment Review Board and this section applies.

(6) Nothing in this section authorizes the assessor to prepare a supplementary assessment roll that would be contrary to an amendment ordered or directed by the Assessment Review Board or by a court of competent jurisdiction.

(7) A supplementary assessment roll that implements an amendment ordered or directed by the Assessment Review Board or by a court of competent jurisdiction may not be appealed to the Assessment Review Board.

(8) The assessor must, as soon as practicable, after issuing a supplementary assessment roll

(a) deliver a certified copy of the supplementary assessment roll to the Council;

(b) where the supplementary assessment roll reflects a decision of the Assessment Review Board, deliver a certified copy of the supplementary assessment roll to the chair; and

(c) mail an amended Assessment Notice to every person named on the assessment roll in respect of the interest in land affected.

(9) Where a supplementary assessment roll is issued under this Law, the supplementary assessment roll is deemed to be effective as of the date the assessment roll was certified under section 11 in respect of the assessable property affected.

(b) be made in writing and include the information set out in Schedule VI; and

(c) include any reasons in support of the request.

(4) The assessor must consider the request for reconsideration and, within fourteen (14) days after receiving the request for reconsideration, either

(b) where the assessor determines that the assessable property should have been assessed differently, offer to the person who requested the reconsideration to modify the assessment.

(5) Where the person who requested the reconsideration agrees with the modification proposed by the assessor, the assessor must

(a) amend the assessment roll as necessary to reflect the modified assessment;

(b) give notice of the amended assessment to the tax administrator and to all other persons who received the Assessment Notice in respect of the assessable property; and

(c) where a Notice of Appeal has been delivered in respect of the assessable property, advise the

Assessment Review Board of the modification.

(3) Where the tax administrator has reasonable grounds to believe that a debtor intends to remove his or her personal property from the reserve, or intends to dismantle or remove his or her improvements on the reserve, or take any other actions that may prevent or impede the collection of unpaid taxes owing under this Law, the tax administrator may apply to a court of competent jurisdiction for a remedy, notwithstanding that the time for payment of taxes has not yet expired.

(4) The Council must, by resolution, prescribe the method of public tender or auction, including the conditions that are attached to the acceptance of an offer.

Upset Price

38.(1) The tax administrator must set an upset price for the sale of the right to an assignment of the taxable property that is not less than the total amount of the taxes payable on the taxable property, calculated to the end of the redemption period set out in subsection 42(1), plus five percent (5%) of that total.

(2) The upset price is the lowest price for which the taxable property may be sold.

Notice of Sale of a Right to Assignment of Taxable Property

39.(1) A Notice of Sale of a Right to Assignment of Taxable Property must be

(a) published in the local newspaper with the largest circulation at least once in each of the four (4) weeks preceding the date of the public tender or auction; and

(b) posted in a prominent place on the reserve not less than ten (10) days before the date of the public tender or auction.

(2) The tax administrator must conduct a public auction or tender at the time and place set out in the Notice of Sale of a Right to Assignment of Taxable Property, unless it is necessary to adjourn the public tender or auction, in which case a further notice must be published in the manner set out in subsection (1).

(3) If no bid is equal to or greater than the upset price, the Malahat Nation is deemed to have purchased the right to an assignment of the taxable property for the amount of the upset price.

Notice to Minister and Lands Manager

40. The tax administrator must, without delay, notify the Minister of Indian Affairs and Northern Development and the Lands Manager in writing of the sale of a right to an assignment of taxable property made under this Law.

Subsisting Rights

41. When taxable property is sold by public tender or auction, all rights in it held by the holder of the taxable property or a holder of a charge immediately cease to exist, except as follows:

(a) the taxable property is subject to redemption as provided in subsection 42(1);

(b) the right to possession of the taxable property is not affected during the time allowed for redemption, subject, however, to

(i) impeachment for waste, and

(ii) the right of the highest bidder to enter on the taxable property to maintain it in a proper condition and to prevent waste;

(c) an easement, restrictive covenant, building scheme or right-of-way registered against the interest in land subsists; and

(d) during the period allowed for redemption, an action may be brought in a court of competent jurisdiction to have the sale of the right to an assignment of the taxable property set aside and declared invalid.

Redemption Period

42.(1) At any time within three (3) months after the holding of a public tender or auction in respect of taxable property, the debtor may redeem the taxable property by paying to the Malahat Nation the amount of the upset price plus three percent (3%).

(2) On redemption of the taxable property under subsection (1),

(a) if the right to an assignment was sold to a bidder, the Malahat Nation must, without delay, repay to that bidder the amount of the bid; and

(b) the tax administrator must notify the Minister of Indian Affairs and Northern Development and the Lands Manager in writing of the redemption.

(3) No assignment of taxable property must be made until the end of the redemption period provided for in subsection (1).

(4) Subject to a redemption under subsection (2), at the end of the redemption period, the Malahat

Nation must assign the taxable property to the highest bidder in the public tender or auction, or to itself as the deemed purchaser in accordance with subsection 39(3).

Assignment of Taxable Property

43.(1) Taxable property must not be assigned to any person or entity who would not have been entitled under the *Indian Act* or the *First Nations Land Management Act*, as the case may be, to obtain the interest or right constituting the taxable property.

(2) The tax administrator must register an assignment of any taxable property assigned in accordance with this Law in every registry in which the taxable property is registered at the time of the assignment.

(3) An assignment under subsection 42(4) operates

(a) as a transfer of the taxable property to the bidder from the debtor, without an attestation or proof of execution; and

(b) to extinguish all the right, title and interest of every previous holder of the taxable property, or those claiming under a previous holder, and all claims, demands, payments, charges, liens, judgments, mortgages and encumbrances of every type, and whether or not registered, subsisting at the time the assignment is registered under subsection (2), except an easement, restrictive covenant, building scheme or right-of-way registered against the interest in land.

(4) Upon assignment under subsection 42(4), any remaining debt of the debtor with respect to the taxable property is extinguished.

Proceeds of Sale

44.(1) At the end of the redemption period, the proceeds from the sale of a right to assignment of taxable property must be paid

(a) first, to the Malahat Nation, and

(b) second, to any other holders of registered interests in the property in order of their priority at law,

and any remaining proceeds must be paid to the debtor.

(2) If claim to the surplus is made by another person and such claim is contested, or if the tax administrator is uncertain who is entitled to such surplus, the tax administrator must retain such money until the rights of the parties have been determined.

Resale by Malahat Nation

45.(1) If the right to assignment of taxable property is purchased by the Malahat Nation under subsection 39(3), the tax administrator may, during the redemption period, sell the assignment of the taxable property to any person for not less than the upset price and the purchaser is thereafter considered the bidder under this Part.

(2) A sale under subsection (1) does not affect the period for or the right of redemption by the debtor as provided in this Law.

SCHEDULE - METLAKATLA FIRST NATION CONFLICT OF INTEREST RULES

PART ONE - INTERPRETATION

Interpretation

1 (1) In these Rules, "the FAL" means the *Metlakatla First Nation Financial Administration Law, 2015*.

(2) Except as otherwise expressly provided in these Rules, words and expressions used in these Rules have the same meanings as in the FAL.

(3) Sections 2 and 3 of the FAL apply to these Rules.

(4) If there is a conflict between a provision of these Rules and a provision of the FAL, the provision of the FAL prevails to the extent of the conflict.

Definition of Conflict of Interest

2 (1) In these Rules, an individual has a "conflict of interest" when the individual exercises a power or performs a duty or function and at the same time knows or ought reasonably to have known that in the exercise of the power or performance of the duty or function there is an opportunity to benefit the individual's private interests.

(2) In these Rules, an individual has an "apparent conflict of interest" if a reasonably well informed person would perceive that the individual's ability to exercise a power or perform a duty or function of their office or position shall be affected by the individual's private interests.

(3) In these Rules, an individual's "private interests" mean the individual's personal and business interests and includes the personal and business interests of

(a) the individual's spouse;

(b) a person under the age of eighteen (18) years in respect of whom the individual or the individual's spouse is a parent or acting in a parental capacity;

(c) a person in respect of whom the individual or the individual's spouse is acting as guardian;

(d) a person, other than an employee, who is financially dependent upon the individual or the individual's spouse or on whom the individual is financially dependent; and

(e) an entity in which the individual or the individual in combination with any other person described in this subsection has a controlling interest.

(4) Despite subsections (1) and (2), an individual's private interests do not give rise to a conflict of interest if those interests

(a) are the same as those of a broad class of members of Metlakatla of which the individual is a member; or

(b) are so remote or insignificant that they could not be reasonably regarded as likely to influence the individual in the exercise of a power or performance of a duty or function.

3.(1) Council must appoint one or more assessors to undertake assessments of assessable property in accordance with this Law and such other duties as set out in this Law or as directed by Council.

(2) An assessor appointed by Council must be qualified to conduct assessments of real property in the Province.

Application of Law

4. This Law applies to all interests in land.

PART IV

ASSESSED VALUE

Assessment and Valuation

5.(1) The assessor must assess all interests in land that are subject to taxation under the Taxation Law and all interests in land for which payments-in-lieu may be accepted by Council.

(2) For the purpose of determining the assessed value of an interest in land for an assessment roll, the valuation date is July 1 of the year before the taxation year for which the assessment applies.

(3) The assessed value of an interest in land for an assessment roll is to be determined as if on the valuation date

(a) the interest in land was in the physical condition that it is in on October 31 following the valuation date; and

(b) the permitted use of the interest in land was the same as on October 31 following the valuation date.

(4) Paragraph (3)(a) does not apply to property referred to in paragraphs 17(3)(b) and (d) and the assessed value of property referred to in that section for an assessment roll must be determined as if on the valuation date the property was in the physical condition that it is in on December 31 following the valuation date.

(5) Except where otherwise provided, the assessor must assess interests in land at their market value as if held in fee simple off the reserve.

(6) The assessor must determine the assessed value of an interest in land and must enter the assessed value of the interest in land in the assessment roll.

(d) replacement cost;

(e) revenue or rental value;

(f) selling price of the interest in land and comparable interests in land;

(g) economic and functional obsolescence; and

(h) any other circumstances affecting the value of the interest in land.

(8) Without limiting the application of subsections (5) and (6), an interest in land used for an industrial or commercial undertaking, a business or a public utility enterprise must be valued as the property of a going concern.

(10) Council hereby establishes those property classes established by the Province for provincial property assessment purposes that are set out in Schedule I, for the purposes of assessment under this Law and imposing taxes under the Taxation Law.

(11) The assessor must

(a) assess interests in land according to the property classes established under subsection (10); and

(b) use the provincial classification rules for each property class.

(12) Where a property falls into two (2) or more property classes, the assessor must determine the share of the assessed value of the property attributable to each class and assess the property according to the proportion each share constitutes of the total assessed value.

(13) Where two (2) or more persons are holders of assessable property, the assessor may choose to assess the property in the name of any of those persons or in the names of two (2) or more of those persons jointly.

(14) If a building or other improvement extends over more than one (1) property, those properties, if contiguous, may be treated by the assessor as one property and assessed accordingly.

(15) Where an improvement extends over, under or through land and is owned, occupied, maintained, operated or used by a person other than the holder of the land, that improvement may be separately assessed to the person owning, occupying, maintaining, operating or using it, even though some other person holds an interest in the land.

(16) In determining the assessed value of property held by a railway corporation, the assessor must apply the adjustment factors set in provincial assessment legislation from time to time for taxes levied on the municipal general tax base.

Assessment Notice

16.(1) The assessor must, on or before December 31 of each year, mail an Assessment Notice to every

person named in the assessment roll in respect of each assessable property, at the person's address on the assessment roll.

(2) Where requested by the recipient, an Assessment Notice may be e-mailed to a person named on the assessment roll, and the Assessment Notice is deemed to have been delivered on the date that the e-mail is sent by the assessor.

(3) A person whose name appears in the assessment roll must give written notice to the assessor of any change of address.

(4) Any number of interests in land assessed in the name of the same holder may be included in one Assessment Notice.

(5) If several interests in land are assessed in the name of the same holder at the same value, the Assessment Notice may clearly identify the property assessed, without giving the full description of each property as it appears in the assessment roll.

(6) Subject to subsection 13(2) and subsection (7), the assessor must provide, to any person who requests it and pays to the assessor the fee of six dollars ($6), the information contained in the current Assessment Notice sent by the assessor.

(7) Where information has been omitted or obscured under subsection 14(1), the assessor must omit that information from a notice provided under subsection (6).

PART VII

ERRORS AND OMISSIONS IN ASSESSMENT ROLL

Amendments by Assessor

17.(1) Before March 16 in each year after the certification of an assessment roll under section 10, the assessor must notify and recommend correction to the Assessment Review Board of all errors or omissions in the assessment roll, except those errors or omissions corrected under subsection (2) or section 19.

(2) Before March 16 in each year after the certification of an assessment roll under section 10, the assessor may amend an individual entry in the assessment roll to correct an error or omission, with the consent of the

(a) holder of the interest in land; and

(b) the complainant, if the complainant is not the holder.

(3) Without limiting subsection (1), the assessor must give notice to the Assessment Review Board and recommend correction of the assessment roll in any of the following circumstances:

(a) because of a change in a holder that occurs before January 1 in a taxation year that is not reflected in the certified assessment roll and that results in

(i) land or improvements, or both, that were not previously subject to taxation becoming subject to taxation, or

(ii) land or improvements, or both, that were previously subject to taxation ceasing to be subject to taxation;

(b) after October 31 and before the following January 1, a manufactured home is moved to a new location or destroyed;

(c) after October 31 and before the following January 1, a manufactured home is placed on land that has been assessed or the manufactured home is purchased by the holder of land that has been assessed; and

(d) improvements, other than a manufactured home, that

(i) are substantially damaged or destroyed after October 31 and before the following January 1, and

(ii) cannot reasonably be repaired or replaced before the following January 1.

(4) Except as provided in section 18, or pursuant to an order of a court of competent jurisdiction, the assessor must not make any amendments to the assessment roll after March 31 of the current taxation year.

(5) Where the assessment roll is amended under subsection (1), the assessor must mail an amended Assessment Notice to every person named in the assessment roll in respect of the interest in land affected.

Supplementary Assessment Roll

18.(1) If, after the certification of the revised assessment roll or where there is no revised assessment roll, after March 31, the assessor finds that any interest in land

(a) was liable to assessment for the current taxation year, but has not been assessed on the current assessment roll, or

(b) has been assessed for less than the amount for which it was liable to assessment,

the assessor must assess the interest in land on a supplementary assessment roll, or further supplementary assessment roll, in the same manner that it should have been assessed on the current assessment roll, provided that a supplementary assessment roll under this section must not be prepared after December 31 of the taxation year in which the assessment roll certified under section 10 applies.

(2) If, after the certification of the revised assessment roll or where there is no revised assessment roll, after March 31, the assessor finds that an interest in land

(a) was liable to assessment for a previous taxation year, but has not been assessed on the assessment roll for that taxation year, or

(b) has been assessed in a previous taxation year for less than the amount for which it was liable to assessment,

the assessor must assess the interest in land on a supplementary assessment roll, or further supplementary assessment roll, in the same manner that it should have been assessed, but only if the failure to assess the interest in land, or the assessment for less than it was liable to be assessed, is attributable to

(c) a holder's failure to disclose,

(d) a holder's concealment of particulars relating to assessable property,

(e) a person's failure to respond to a request for information under subsection 7(1), or

(f) a person's making of an incorrect response to a request for information under subsection 7(1),

as required under this Law.

(3) In addition to supplementary assessments under subsections (1) and (2), the assessor may, at any time before December 31 of the taxation year in which the assessment roll certified under section 10 applies, correct errors and omissions in the assessment roll by means of entries in a supplementary assessment roll.

(4) The duties imposed on the assessor with respect to the assessment roll and the provisions of this Law relating to assessment rolls, so far as they are applicable, apply to supplementary assessment rolls.

(5) Where the assessor receives a decision of the Assessment Review Board after March 31 in a taxation year, the assessor must create a supplementary assessment roll reflecting the decision of the Assessment Review Board and this section applies.

(6) Nothing in this section authorizes the assessor to prepare a supplementary assessment roll that would be contrary to an amendment ordered or directed by the Assessment Review Board or by a court of

competent jurisdiction.

(7) A supplementary assessment roll that implements an amendment ordered or directed by the Assessment Review Board or by a court of competent jurisdiction may not be appealed to the Assessment Review Board.

(8) The assessor must, as soon as practicable, after issuing a supplementary assessment roll

(a) deliver a certified copy of the supplementary assessment roll to the Council;

(b) where the supplementary assessment roll reflects a decision of the Assessment Review Board, deliver a certified copy of the supplementary assessment roll to the chair; and

(c) mail an amended Assessment Notice to every person named on the assessment roll in respect of the interest in land affected.

(9) Where a supplementary assessment roll is issued under this Law, the supplementary assessment roll is deemed to be effective as of the date the assessment roll was certified under section 10 in respect of the assessable property affected.

PART VIII

RECONSIDERATION OF ASSESSMENT

Reconsideration by Assessor

19.(1) A person named on the assessment roll in respect of an assessable property may request that the assessor reconsider the assessment of that assessable property.

(2) A request for reconsideration may be made on one or more of the grounds on which an assessment appeal may be made under this Law.

(3) A request for reconsideration of an assessment must

(a) be delivered to the assessor within twenty-one (21) days after the day that the Assessment Notice is mailed or e-mailed to the person named on the assessment roll in respect of an assessable property;

(b) be made in writing and include the information set out in Schedule V; and

(c) include any reasons in support of the request.

(4) The assessor must consider the request for reconsideration and, within twenty-one (21) days after receiving the request for reconsideration, either

(a) advise the person who requested the reconsideration that the assessor confirms the assessment; or

(b) where the assessor determines that the assessable property should have been assessed differently, offer to the person who requested the reconsideration to modify the assessment.

(5) Where the person who requested the reconsideration agrees with the modification proposed by the assessor, the assessor must

(a) amend the assessment roll as necessary to reflect the modified assessment;

(b) give notice of the amended assessment to the tax administrator and to all other persons who received the Assessment Notice in respect of the assessable property; and

(c) where a Notice of Appeal has been delivered in respect of the assessable property, advise the Assessment Review Board of the modification.

(6) Where the person who requested the reconsideration accepts an offer to modify an assessment, that person must not appeal the modified assessment and must withdraw any Notice of Appeal filed in respect of the assessable property.

PART IX

(d) has financial dealings with the First Nation, which might reasonably give rise to a conflict of interest or impair that person's ability to deal fairly and impartially with an appeal, as required under the terms of this Law.

(2) For the purposes of paragraph (1)(a), membership in the First Nation does not in itself constitute a personal or financial interest in assessable property.

LIABILITY FOR TAXATION

Application of Law

4. This Law applies to all interests in land.

Tax Liability

5.(1) Except as provided in Part V, all interests in land are subject to taxation under this Law.

(3) Where an interest in land is exempt from taxation under paragraph 7(1)(a) or (b), that exemption does not affect the liability to taxation of other holders of interests in the same property.

(4) Taxes are due and payable under this Law notwithstanding any proceeding initiated or remedy sought by a taxpayer respecting his or her liability to taxation under this Law.

(5) Any person who shares the same interest in taxable property is jointly and severally liable to the First Nation for all taxes imposed on that taxable property under this Law during the taxation year and for all unpaid taxes imposed in a previous taxation year, including, for clarity, interest, penalties and costs as provided in this Law.

Tax Refunds

6.(1) Where a person is taxed in excess of the proper amount in a taxation year, the tax administrator must refund to that person any excess taxes paid by that person.

(b) the interest rate during each successive three (3) month period beginning on January 1, April 1, July 1 and October 1 in every year, is two percent (2%) below the prime lending rate of the principal banker to the First Nation on the 15th day of the month immediately preceding that three (3) month period;

(c) interest will not be compounded; and

(5) Where the holder of a charge on taxable property gives notice to the assessor of the charge under the Assessment Law and the assessor enters the holder's name on the assessment roll, the tax administrator must mail a copy of all tax notices issued in respect of the property to the holder of the charge during the duration of the charge.

Amendments to Tax Roll and Tax Notices

14.(1) Where the assessment roll has been revised in accordance with the Assessment Law, the tax administrator must amend the tax roll and mail an amended Tax Notice to every person affected by the amendment.

(4) Where an amended Tax Notice indicates an increase in the amount of taxes owing, the taxes are due and payable on the date of mailing of the amended Tax Notice; however, the taxpayer must be given thirty (30) days to pay those taxes and a penalty and interest must not be added in that period.

Penalty

20. If all or any portion of the taxes remains unpaid after July 2 of the year in which they are levied, a penalty of ten percent (10%) of the portion that remains unpaid will be added to the amount of the unpaid taxes and the amount so added is, for all purposes, deemed to be part of the taxes.

Interest

(4) As an exception to paragraph (3)(c), where the First Nations Financial Management Board has

(a) assumed third-party management of the First Nation's local revenue account, and

(3) Costs incurred by the First Nation in the collection and enforcement of unpaid taxes

(b) are payable by the debtor as unpaid taxes.

(4) Where the tax administrator has reasonable grounds to believe that a debtor intends to remove his or her personal property from the reserve, or intends to dismantle or remove his or her improvements on the reserve, or take any other actions that may prevent or impede the collection of unpaid taxes owing under this Law, the tax administrator may apply to a court of competent jurisdiction for a remedy, notwithstanding that the time for payment of taxes has not yet expired.

(5) On receiving payment in full of the taxes owing in respect of which a lien was created, the tax administrator must register a discharge of the lien without delay.

(6) Discharge of a lien by the tax administrator is evidence of payment of the taxes with respect to the interest in land.

(7) A lien is not lost or impaired by reason of any technical error or omission in its creation or recording in the list of liens.

Delivery of Documents in Enforcement Proceedings

28.(1) This section applies to this Part and Parts XIII, XIV and XV.

(2) Delivery of a document may be made personally or by sending it by registered mail.

Interpretation

(2) Except as otherwise expressly provided in this Schedule, words and expressions used in this Schedule have the same meanings as in this Law.

(4) If there is a conflict between a provision of this Schedule and this Law, the provision of this Law applies.

Definition of Conflict of Interest

2.(1) In this Schedule, an individual has a "conflict of interest" when the individual exercises a power or performs a duty or function and at the same time knows or ought reasonably to have known that in the exercise of the power or performance of the duty or function there is an opportunity to benefit the individual's private interests.

(2) In this Schedule, an individual has an "apparent conflict of interest" if a reasonably well-informed person would perceive that the individual's ability to exercise a power or perform a duty or function of their office or position must be affected by the individual's private interests.

(3) In this Schedule, an individual's "private interests" means the individual's personal and business interests and include the personal and business interests of

(e) an entity in which the individual or the individual in combination with any other person described in this subsection has a controlling interest.

(4) Despite subsections (1) and (2), an individual's private interests do not give rise to a conflict of interest if those interests

(a) are the same as those of a broad class of members of the First Nation of which the individual is a member; or

(b) are so remote or insignificant that they could not be reasonably regarded as likely to influence the individual in the exercise of a power or performance of a duty or function.

PART III
ADMINISTRATION

Assessor

3.(1) Council must appoint one or more assessors to undertake assessments of assessable property in accordance with this Law and such other duties as set out in this Law or as directed by Council.

(2) An assessor appointed by Council must be qualified to conduct assessments of real property in the Province.

Application of Law

4. This Law applies to all interests in land.

PART IV
ASSESSED VALUE

Assessment and Valuation

5.(1) The assessor must assess all interests in land that are subject to taxation under the Taxation Law and all interests in land for which payments-in-lieu may be accepted by Council.

(2) For the purpose of determining the assessed value of an interest in land for an assessment roll, the valuation date is July 1 of the year before the taxation year for which the assessment applies.

(3) The assessed value of an interest in land for an assessment roll is to be determined as if on the valuation date

(a) the interest in land was in the physical condition that it is in on October 31 following the valuation date; and

(b) the permitted use of the interest in land was the same as on October 31 following the valuation date.

(4) Paragraph (3)(a) does not apply to property referred to in paragraphs 17(3)(b) and (d) and the assessed value of property referred to in that section for an assessment roll must be determined as if on the valuation date the property was in the physical condition that it is in on December 31 following the valuation date.

(5) Except where otherwise provided, the assessor must assess interests in land at their market value as if held in fee simple off the reserve.

(6) The assessor must determine the assessed value of an interest in land and must enter the assessed value of the interest in land in the assessment roll.

(7) In determining assessed value, the assessor may, except where this Law has a different requirement, give consideration to the following:

(a) present use;

(b) location;

(c) original cost;

(d) replacement cost;

(e) revenue or rental value;

(f) selling price of the interest in land and comparable interests in land;

(g) economic and functional obsolescence; and

(h) any other circumstances affecting the value of the interest in land.

(8) Without limiting the application of subsections (5) and (6), an interest in land used for an industrial or commercial undertaking, a business or a public utility enterprise must be valued as the property of a going concern.

(9) Where a lease or other instrument granting an interest in land places a restriction on the use of the property, other than a right of termination or a restriction on the duration of the interest in land, the assessor must consider the restriction.

(10) Council hereby establishes those property classes established by the Province for provincial property assessment purposes that are set out in Schedule I, for the purposes of assessment under this Law and imposing taxes under the Taxation Law.

(11) The assessor must

(a) assess interests in land according to the property classes established under subsection (10); and

(b) use the provincial classification rules for each property class.

(12) Where a property falls into two (2) or more property classes, the assessor must determine the share of the assessed value of the property attributable to each class and assess the property according to the proportion each share constitutes of the total assessed value.

(13) Where two (2) or more persons are holders of assessable property, the assessor may choose to assess the property in the name of any of those persons or in the names of two (2) or more of those persons jointly.

(14) If a building or other improvement extends over more than one (1) property, those properties, if contiguous, may be treated by the assessor as one property and assessed accordingly.

(15) Where an improvement extends over, under or through land and is owned, occupied, maintained, operated or used by a person other than the holder of the land, that improvement may be separately assessed to the person owning, occupying, maintaining, operating or using it, even though some other person holds an interest in the land.

(16) Except as otherwise provided in this Law, for the purposes of assessing interests in land the assessor must use

(a) the valuation methods, rates, rules and formulas established under provincial assessment legislation existing at the time of assessment; and

Exemption from Assessment

12. An assessment roll is effective on certification and unless amended in accordance with this Law, by a decision of the Assessment Review Board or by an order of a court of competent jurisdiction, is

(3) A person must not, directly or indirectly, use the assessment roll or information contained in the assessment roll to

(a) obtain names, addresses or telephone numbers for solicitation purposes, whether the solicitations are made by telephone, mail or any other means; or

Protection of Privacy in Assessment Roll

14.(1) On application by a holder, the assessor may omit or obscure the holder's name, address or other information about the holder that would ordinarily be included in an assessment roll if, in the assessor's opinion, the inclusion of the name, address or other information could reasonably be expected to threaten the safety or mental or physical health of the holder or a member of the holder's household.

(2) Where the assessor omits or obscures information under subsection (1), such information must be obscured from all assessment rolls that are available for public inspection under subsection 13(1) or are otherwise accessible to the public.

15.(1) Any person holding a charge on assessable property may, at any time, give notice, with full particulars of the nature, extent and duration of the charge, to the assessor and request that his or her name be added to the assessment roll in respect of that assessable property, for the duration of the charge.

(2) On receipt of a notice and request under this section, the assessor must enter the person's name and address on the assessment roll and provide copies of all assessment notices issued in respect of the assessable property.

Assessment Notice

16.(1) The assessor must, on or before

(a) January 31 for taxation years in which the assessor is a person other than the British Columbia Assessment Authority, and

mail an Assessment Notice to every person named in the assessment roll in respect of each assessable property, at the person's address on the assessment roll.

(2) Where requested by the recipient, an Assessment Notice may be e-mailed to a person named on the assessment roll, and the Assessment Notice is deemed to have been delivered on the date that the e-mail is sent by the assessor.

(3) A person whose name appears in the assessment roll must give written notice to the assessor of any change of address.

(4) Any number of interests in land assessed in the name of the same holder may be included in one Assessment Notice.

(5) If several interests in land are assessed in the name of the same holder at the same value, the Assessment Notice may clearly identify the property assessed, without giving the full description of each property as it appears in the assessment roll.

(6) Subject to subsection 13(2) and subsection (7), the assessor must provide, to any person who requests it and pays to the assessor the fee of six dollars ($6), the information contained in the current Assessment Notice sent by the assessor.

(7) Where information has been omitted or obscured under subsection 14(1), the assessor must omit

that information from a notice provided under subsection (6).

PART VII
ERRORS AND OMISSIONS IN ASSESSMENT ROLL

Amendments by Assessor

17.(1) Before March 16 in each year after the certification of an assessment roll under section 10, the assessor must notify and recommend correction to the Assessment Review Board of all errors or omissions in the assessment roll, except those errors or omissions corrected under subsection (2) or section 19.

(2) Before March 16 in each year after the certification of an assessment roll under section 10, the assessor may amend an individual entry in the assessment roll to correct an error or omission, with the consent of the

(a) holder of the interest in land; and

(b) the complainant, if the complainant is not the holder.

(3) Without limiting subsection (1), the assessor must give notice to the Assessment Review Board and recommend correction of the assessment roll in any of the following circumstances:

(a) because of a change in a holder that occurs before January 1 in a taxation year that is not reflected in the certified assessment roll and that results in

(i) land or improvements, or both, that were not previously subject to taxation becoming subject to taxation, or

(ii) land or improvements, or both, that were previously subject to taxation ceasing to be subject to taxation;

(b) after October 31 and before the following January 1, a manufactured home is moved to a new location or destroyed;

(c) after October 31 and before the following January 1, a manufactured home is placed on land that has been assessed or the manufactured home is purchased by the holder of land that has been assessed; and

(d) improvements, other than a manufactured home, that

(i) are substantially damaged or destroyed after October 31 and before the following January 1, and

(ii) cannot reasonably be repaired or replaced before the following January 1.

(4) Except as provided in section 18, or pursuant to an order of a court of competent jurisdiction, the assessor must not make any amendments to the assessment roll after March 31 of the current taxation year.

(5) Where the assessment roll is amended under subsection (1), the assessor must mail an amended Assessment Notice to every person named in the assessment roll in respect of the interest in land affected.

Supplementary Assessment Roll

18.(1) If, after the certification of the revised assessment roll or where there is no revised assessment roll, after March 31, the assessor finds that any interest in land

(a) was liable to assessment for the current taxation year, but has not been assessed on the current assessment roll, or

(b) has been assessed for less than the amount for which it was liable to assessment,

the assessor must assess the interest in land on a supplementary assessment roll, or further supplementary assessment roll, in the same manner that it should have been assessed on the current assessment roll, provided that a supplementary assessment roll under this section must not be prepared after December 31 of the taxation year in which the assessment roll certified under section 10 applies.

(2) If, after the certification of the revised assessment roll or where there is no revised assessment roll, after March 31, the assessor finds that an interest in land

(a) was liable to assessment for a previous taxation year, but has not been assessed on the assessment roll for that taxation year, or

(b) has been assessed in a previous taxation year for less than the amount for which it was liable to assessment,

the assessor must assess the interest in land on a supplementary assessment roll, or further supplementary assessment roll, in the same manner that it should have been assessed, but only if the failure to assess the interest in land, or the assessment for less than it was liable to be assessed, is attributable to

(c) a holder's failure to disclose,

(d) a holder's concealment of particulars relating to assessable property,

(e) a person's failure to respond to a request for information under subsection 7(1), or

(f) a person's making of an incorrect response to a request for information under subsection 7(1),

as required under this Law.

(3) In addition to supplementary assessments under subsections (1) and (2), the assessor may, at any time before December 31 of the taxation year in which the assessment roll certified under section 10 applies, correct errors and omissions in the assessment roll by means of entries in a supplementary assessment roll.

(4) The duties imposed on the assessor with respect to the assessment roll and the provisions of this Law relating to assessment rolls, so far as they are applicable, apply to supplementary assessment rolls.

(5) Where the assessor receives a decision of the Assessment Review Board after March 31 in a taxation year, the assessor must create a supplementary assessment roll reflecting the decision of the Assessment Review Board and this section applies.

(6) Nothing in this section authorizes the assessor to prepare a supplementary assessment roll that would be contrary to an amendment ordered or directed by the Assessment Review Board or by a court of competent jurisdiction.

(7) A supplementary assessment roll that implements an amendment ordered or directed by the Assessment Review Board or by a court of competent jurisdiction may not be appealed to the Assessment Review Board.

Council to Establish Assessment Review Board

20.(1) Council must, by resolution, establish an Assessment Review Board to

(a) consider and determine all recommendations from the assessor under subsection 17(1); and

(b) hear and determine assessment appeals under this Law.

(2) The Assessment Review Board must consist of not less than three (3) members, including at least one (1) member who is a practising or non-practising member in good standing of the law society of the Province, and at least one (1) member who has experience in assessment appeals in the Province and at least one (1) member who is a member of the First Nation but not a member of Council.

(4) Taxes are due and payable under this Law notwithstanding any proceeding initiated or remedy sought by a taxpayer respecting his or her liability to taxation under this Law.

(5) Any person who shares the same interest in taxable property is jointly and severally liable to the First Nation for all taxes imposed on that taxable property under this Law during the taxation year and for all unpaid taxes imposed in a previous taxation year, including, for clarity, interest, penalties and costs as provided in this Law.

Tax Refunds

(2) The upset price is the lowest price for which the taxable property may be sold.

Notice of Sale of a Right to Assignment of Taxable Property

38.(1) A Notice of Sale of a Right to Assignment of Taxable Property must be

(a) published in the local newspaper with the largest circulation at least once in each of the four (4) weeks preceding the date of the public tender or auction; and

(b) posted in a prominent place on the reserve not less than ten (10) days before the date of the public tender or auction.

(2) The tax administrator must conduct a public auction or tender at the time and place set out in the Notice of Sale of a Right to Assignment of Taxable Property, unless it is necessary to adjourn the public tender or auction, in which case a further notice must be published in the manner set out in subsection (1).

(3) If no bid is equal to or greater than the upset price, the First Nation is deemed to have purchased the right to an assignment of the taxable property for the amount of the upset price.

Notice to Minister

39. The tax administrator must, without delay, notify the Minister of Indian Affairs and Northern Development in writing of the sale of a right to an assignment of taxable property made under this Law.

Subsisting Rights

40. When taxable property is sold by public tender or auction, all rights in it held by the holder of the taxable property or a holder of a charge immediately cease to exist, except as follows:

(a) the taxable property is subject to redemption as provided in subsection 41(1);

(b) the right to possession of the taxable property is not affected during the time allowed for redemption, subject, however, to

(i) impeachment for waste, and

(ii) the right of the highest bidder to enter on the taxable property to maintain it in a proper condition and to prevent waste;

(c) an easement, restrictive covenant, building scheme or right-of-way registered against the interest in land subsists; and

(d) during the period allowed for redemption, an action may be brought in a court of competent jurisdiction to have the sale of the right to an assignment of the taxable property set aside and declared invalid.

Redemption Period

41.(1) At any time within three (3) months after the holding of a public tender or auction in respect of taxable property, the debtor may redeem the taxable property by paying to the First Nation the amount of the upset price plus three percent (3%).

(2) On redemption of the taxable property under subsection (1),

(a) if the right to an assignment was sold to a bidder, the First Nation must, without delay, repay to that bidder the amount of the bid; and

(b) the tax administrator must notify the Minister of Indian Affairs and Northern Development in writing of the redemption.

(3) No assignment of taxable property must be made until the end of the redemption period provided for in subsection (1).

(4) Subject to a redemption under subsection (2), at the end of the redemption period, the First Nation must assign the taxable property to the highest bidder in the public tender or auction, or to itself as the deemed purchaser in accordance with subsection 38(3).

Assignment of Taxable Property

42.(1) Taxable property must not be assigned to any person or entity who would not have been entitled under the *Indian Act* or the *First Nations Land Management Act*, as the case may be, to obtain the interest or right constituting the taxable property.

(2) The tax administrator must register an assignment of any taxable property assigned in accordance with this Law in every registry in which the taxable property is registered at the time of the assignment.

(3) An assignment under subsection 41(4) operates

(a) as a transfer of the taxable property to the bidder from the debtor, without an attestation or proof of execution; and

(b) to extinguish all the right, title and interest of every previous holder of the taxable property, or those claiming under a previous holder, and all claims, demands, payments, charges, liens, judgments, mortgages and encumbrances of every type, and whether or not registered, subsisting at the time the assignment is registered under subsection (2), except an easement, restrictive covenant, building scheme or right-of-way registered against the interest in land.

(4) Upon assignment under subsection 41(4), any remaining debt of the debtor with respect to the taxable property is extinguished.

Proceeds of Sale

43.(1) At the end of the redemption period, the proceeds from the sale of a right to assignment of

taxable property must be paid

(a) first, to the First Nation, and

(b) second, to any other holders of registered interests in the property in order of their priority at law,

and any remaining proceeds must be paid to the debtor.

(2) If claim to the surplus is made by another person and such claim is contested, or if the tax administrator is uncertain who is entitled to such surplus, the tax administrator must retain such money until the rights of the parties have been determined.

Resale by First Nation

44.(1) If the right to assignment of taxable property is purchased by the First Nation under subsection 38(3), the tax administrator may, during the redemption period, sell the assignment of the taxable property to any person for not less than the upset price and the purchaser is thereafter considered the bidder under this Part.

(2) A sale under subsection (1) does not affect the period for or the right of redemption by the debtor as provided in this Law.

PART III
ADMINISTRATION

Assessor

3.(1) Council must appoint one or more assessors to undertake assessments of assessable property in accordance with this Law and such other duties as set out in this Law or as directed by Council.

(2) An assessor appointed by Council must be qualified to conduct assessments of real property in the Province.

Application of Law

4. This Law applies to all interests in land.

PART IV
ASSESSED VALUE

Assessment and Valuation

5.(1) The assessor must assess all interests in land that are subject to taxation under the Taxation Law and all interests in land for which payments-in-lieu may be accepted by Council.

(2) For the purpose of determining the assessed value of an interest in land for an assessment roll, the valuation date is July 1 of the year before the taxation year for which the assessment applies.

(3) The assessed value of an interest in land for an assessment roll is to be determined as if on the valuation date

(a) the interest in land was in the physical condition that it is in on October 31 following the valuation date; and

(b) the permitted use of the interest in land was the same as on October 31 following the valuation date.

(4) Paragraph (3)(a) does not apply to property referred to in paragraphs 17(3)(b) and (d) and the assessed value of property referred to in that section for an assessment roll must be determined as if on the valuation date the property was in the physical condition that it is in on December 31 following the valuation date.

(5) Except where otherwise provided, the assessor must assess interests in land at their market value as if held in fee simple off the reserve.

(6) The assessor must determine the assessed value of an interest in land and must enter the assessed value of the interest in land in the assessment roll.

(7) In determining assessed value, the assessor may, except where this Law has a different requirement, give consideration to the following:

(a) present use;

(b) location;

(c) original cost;

(d) replacement cost;

(e) revenue or rental value;

(f) selling price of the interest in land and comparable interests in land;

(g) economic and functional obsolescence; and

(h) any other circumstances affecting the value of the interest in land.

(8) Without limiting the application of subsections (5) and (6), an interest in land used for an industrial or commercial undertaking, a business or a public utility enterprise must be valued as the property of a going concern.

(9) Where a lease or other instrument granting an interest in land places a restriction on the use of the property, other than a right of termination or a restriction on the duration of the interest in land, the assessor must consider the restriction.

(10) Council hereby establishes those property classes established by the Province for provincial property assessment purposes that are set out in Schedule I, for the purposes of assessment under this Law and imposing taxes under the Taxation Law.

(11) The assessor must

(a) assess interests in land according to the property classes established under subsection (10); and

(b) use the provincial classification rules for each property class.

(12) Where a property falls into two (2) or more property classes, the assessor must determine the share of the assessed value of the property attributable to each class and assess the property according to the proportion each share constitutes of the total assessed value.

(13) Where two (2) or more persons are holders of assessable property, the assessor may choose to assess the property in the name of any of those persons or in the names of two (2) or more of those persons jointly.

(14) If a building or other improvement extends over more than one (1) property, those properties, if contiguous, may be treated by the assessor as one property and assessed accordingly.

(15) Where an improvement extends over, under or through land and is owned, occupied, maintained, operated or used by a person other than the holder of the land, that improvement may be separately assessed to the person owning, occupying, maintaining, operating or using it, even though some other person holds an interest in the land.

(16) Except as otherwise provided in this Law, for the purposes of assessing interests in land the assessor must use

(a) the valuation methods, rates, rules and formulas established under provincial assessment legislation existing at the time of assessment; and

(b) the assessment rules and practices used by assessors in the Province for conducting assessments off the reserve.

Exemption from Assessment

6. Notwithstanding any other provision in this Law, improvements designed, constructed or installed to provide emergency protection for persons or domestic animals in the event of a disaster or emergency within the meaning of the Emergency Program Act (BC) are exempt from assessment under this Law.

REQUESTS FOR INFORMATION AND INSPECTIONS

Requests for Information

7.(1) The assessor may deliver a Request for Information containing the information set out in Schedule II, to a holder or a person who has disposed of assessable property, and that person must provide to the assessor, within fourteen (14) days from the date of delivery or a longer period as specified in the notice, information for any purpose related to the administration of this Law.

(2) The assessor may in all cases assess the assessable property based on the information available to him or her and is not bound by the information provided under subsection (1).

Inspections

8.(1) The assessor may, for any purposes related to assessment, enter into or on and inspect land and improvements.

(2) The assessor may enter onto any property and may examine any property

(a) to determine an assessment of land and improvements, in respect of which the assessor thinks a person may be liable to assessment; or

(b) to confirm an assessment.

(3) The assessor must be given access to, and may examine and take copies of and extracts from, the books, accounts, vouchers, documents and appraisals of the person referred to in paragraph (2)(a) who must, on request, furnish every facility and assistance required for the entry and examination.

Validity of Assessment Roll

12. An assessment roll is effective on certification and unless amended in accordance with this Law, by a decision of the Assessment Review Board or by an order of a court of competent jurisdiction, is

(a) valid and binding on all parties concerned, despite any

(i) omission, defect or error committed in, or with respect to, the assessment roll,

(ii) defect, error or misstatement in any notice required, or

(iii) omission to mail any notice required; and

(b) for all purposes, the assessment roll of the First Nation until the next certified assessment roll or certified revised assessment roll.

Inspection and Use of Assessment Roll

13.(1) On receipt by Council, the assessment roll is open to inspection in the First Nation office by any person during regular business hours.

(2) In addition to inspection under subsection 13(1), Council may allow the assessment roll to be inspected electronically through an online service, provided that the information available online does not include any names or other identifying information about a holder or other person.

(3) A person must not, directly or indirectly, use the assessment roll or information contained in the assessment roll to

(a) obtain names, addresses or telephone numbers for solicitation purposes, whether the solicitations are made by telephone, mail or any other means; or

(b) harass an individual.

(4) The tax administrator may require a person who wishes to inspect the assessment roll to complete a declaration in substantially the form set out in Schedule III

(a) specifying the purpose for which the information is to be used; and

(b) certifying that the information contained in the assessment roll will not be used in a manner prohibited under this section.

Protection of Privacy in Assessment Roll

14.(1) On application by a holder, the assessor may omit or obscure the holder's name, address or other information about the holder that would ordinarily be included in an assessment roll if, in the assessor's opinion, the inclusion of the name, address or other information could reasonably be expected to threaten the safety or mental or physical health of the holder or a member of the holder's household.

(2) Where the assessor omits or obscures information under subsection (1), such information must be obscured from all assessment rolls that are available for public inspection under subsection 13(1) or are otherwise accessible to the public.

Chargeholders

15.(1) Any person holding a charge on assessable property may, at any time, give notice, with full particulars of the nature, extent and duration of the charge, to the assessor and request that his or her name be added to the assessment roll in respect of that assessable property, for the duration of the charge.

(2) On receipt of a notice and request under this section, the assessor must enter the person's name and address on the assessment roll and provide copies of all assessment notices issued in respect of the assessable property.

Assessment Notice

16.(1) The assessor must, on or before:

(a) January 31 for taxation years in which the assessor is a person other than the British Columbia Assessment Authority; and

(b) December 31 of the preceding year for taxation years in which the assessor is the British Columbia Assessment Authority;

mail an Assessment Notice to every person named in the assessment roll in respect of each assessable property, at the person's address on the assessment roll.

(2) Where requested by the recipient, an Assessment Notice may be e-mailed to a person named on the assessment roll, and the Assessment Notice is deemed to have been delivered on the date that the e-mail is sent by the assessor.

(3) A person whose name appears in the assessment roll must give written notice to the assessor of any change of address.

(4) Any number of interests in land assessed in the name of the same holder may be included in one Assessment Notice.

(5) If several interests in land are assessed in the name of the same holder at the same value, the Assessment Notice may clearly identify the property assessed, without giving the full description of each property as it appears in the assessment roll.

(6) Subject to subsection 13(2) and subsection (7), the assessor must provide, to any person who requests it and pays to the assessor the fee of six dollars ($6), the information contained in the current Assessment Notice sent by the assessor.

(7) Where information has been omitted or obscured under subsection 14(1), the assessor must omit that information from a notice provided under subsection (6).

PART VII
ERRORS AND OMISSIONS IN ASSESSMENT ROLL

Amendments by Assessor

17.(1) Before March 16 in each year after the certification of an assessment roll under section 10, the assessor must notify and recommend correction to the Assessment Review Board of all errors or omissions in the assessment roll, except those errors or omissions corrected under subsection (2) or section 19.

(2) Before March 16 in each year after the certification of an assessment roll under section 10, the assessor may amend an individual entry in the assessment roll to correct an error or omission, with the consent of the

(a) holder of the interest in land; and

(b) the complainant, if the complainant is not the holder.

(3) Without limiting subsection (1), the assessor must give notice to the Assessment Review Board and recommend correction of the assessment roll in any of the following circumstances:

(a) because of a change in a holder that occurs before January 1 in a taxation year that is not reflected in the certified assessment roll and that results in

(i) land or improvements, or both, that were not previously subject to taxation becoming subject to taxation, or

(ii) land or improvements, or both, that were previously subject to taxation ceasing to be subject to taxation;

(b) after October 31 and before the following January 1, a manufactured home is moved to a new location or destroyed;

(c) after October 31 and before the following January 1, a manufactured home is placed on land that has been assessed or the manufactured home is purchased by the holder of land that has been assessed; and

(d) improvements, other than a manufactured home, that

(i) are substantially damaged or destroyed after October 31 and before the following January 1, and

(ii) cannot reasonably be repaired or replaced before the following January 1.

(4) Except as provided in section 18, or pursuant to an order of a court of competent jurisdiction, the assessor must not make any amendments to the assessment roll after March 31 of the current taxation year.

(5) Where the assessment roll is amended under subsection (1), the assessor must mail an amended Assessment Notice to every person named in the assessment roll in respect of the interest in land affected.

Supplementary Assessment Roll

18.(1) If, after the certification of the revised assessment roll or where there is no revised assessment roll, after March 31, the assessor finds that any interest in land

(a) was liable to assessment for the current taxation year, but has not been assessed on the current assessment roll, or

(b) has been assessed for less than the amount for which it was liable to assessment,

the assessor must assess the interest in land on a supplementary assessment roll, or further supplementary assessment roll, in the same manner that it should have been assessed on the current assessment roll, provided that a supplementary assessment roll under this section must not be prepared after December 31 of the taxation year in which the assessment roll certified under section 10 applies.

(2) If, after the certification of the revised assessment roll or where there is no revised assessment roll, after March 31, the assessor finds that an interest in land

(a) was liable to assessment for a previous taxation year, but has not been assessed on the assessment roll for that taxation year, or

(b) has been assessed in a previous taxation year for less than the amount for which it was liable to assessment,

the assessor must assess the interest in land on a supplementary assessment roll, or further supplementary assessment roll, in the same manner that it should have been assessed, but only if the failure to assess the interest in land, or the assessment for less than it was liable to be assessed, is attributable to

(c) a holder's failure to disclose,

(d) a holder's concealment of particulars relating to assessable property,

(e) a person's failure to respond to a request for information under subsection 7(1), or

(f) a person's making of an incorrect response to a request for information under subsection 7(1),

as required under this Law.

(3) In addition to supplementary assessments under subsections (1) and (2), the assessor may, at any time before December 31 of the taxation year in which the assessment roll certified under section 11 applies, correct errors and omissions in the assessment roll by means of entries in a supplementary assessment roll.

(4) The duties imposed on the assessor with respect to the assessment roll and the provisions of this Law relating to assessment rolls, so far as they are applicable, apply to supplementary assessment rolls.

(5) Where the assessor receives a decision of the Assessment Review Board after March 31 in a taxation year, the assessor must create a supplementary assessment roll reflecting the decision of the Assessment Review Board and this section applies.

(6) Nothing in this section authorizes the assessor to prepare a supplementary assessment roll that would be contrary to an amendment ordered or directed by the Assessment Review Board or by a court of competent jurisdiction.

(7) A supplementary assessment roll that implements an amendment ordered or directed by the Assessment Review Board or by a court of competent jurisdiction may not be appealed to the Assessment Review Board.

(8) The assessor must, as soon as practicable, after issuing a supplementary assessment roll

(a) deliver a certified copy of the supplementary assessment roll to the Council;

(b) where the supplementary assessment roll reflects a decision of the Assessment Review Board, deliver a certified copy of the supplementary assessment roll to the chair; and

(c) mail an amended Assessment Notice to every person named on the assessment roll in respect of the interest in land affected.

(9) Where a supplementary assessment roll is issued under this Law, the supplementary assessment roll is deemed to be effective as of the date the assessment roll was certified under section 10 in respect of the assessable property affected.

(c) include any reasons in support of the request.

(4) The assessor must consider the request for reconsideration and, within twenty-one (21) days after receiving the request for reconsideration, either

(2) A party may be represented by counsel or an agent and may make submissions as to facts, law and jurisdiction.

(3) The Assessment Review Board may conduct a hearing whether the complainant is present or not, provided the complainant was given notice of the hearing in accordance with this Law.

(4) The burden of proof in an appeal is on the person bringing the appeal.

(5) In an oral hearing, a party may call and examine witnesses, present evidence and submissions and conduct cross-examination of witnesses as reasonably required by the Assessment Review Board for a full and fair disclosure of all matters relevant to the issues in the appeal.

(6) The Assessment Review Board may reasonably limit further examination or cross-examination of a witness if it is satisfied that the examination or cross-examination has been sufficient to disclose fully and fairly all matters relevant to the issues in the appeal.

(b) produce a document or other thing in the person's possession or control as specified by the Assessment Review Board,

by issuing an Order to Attend Hearing/Produce Documents and serving it on the person at least two (2) days before the person's attendance or the requested document is required at the hearing, as the case may be.

(2) Where an order is made under paragraph (1)(a), the Assessment Review Board must pay to the person a twenty dollar ($20) witness fee plus reasonable travel expenses to attend and give evidence before the Assessment Review Board.

(3) A party may request that the Assessment Review Board make an order under subsection (1) to a person specified by the party.

(4) Where a party makes a request under subsection (3),

(2) The stated case must be in writing and filed with the court registry and must include a statement of the facts and all evidence material to the stated case.

(3) The Assessment Review Board must

(a) suspend the proceeding as it relates to the stated case and reserve its decision until the opinion of the court has been given; and

(b) decide the appeal in accordance with the court's opinion.

Matters before the Courts

(2) Except as otherwise expressly provided in this Schedule, words and expressions used in this Schedule have the same meanings as in this Law.

(4) If there is a conflict between a provision of this Schedule and this Law, the provision of this Law applies.

Definition of Conflict of Interest

2.(1) In this Schedule, an individual has a "conflict of interest" when the individual exercises a power or performs a duty or function and at the same time knows or ought reasonably to have known that in the exercise of the power or performance of the duty or function there is an opportunity to benefit the individual's private interests.

(2) In this Schedule, an individual has an "apparent conflict of interest" if a reasonably well-informed person would perceive that the individual's ability to exercise a power or perform a duty or function of their office or position must be affected by the individual's private interests.

(3) In this Schedule, an individual's "private interests" means the individual's personal and business interests and include the personal and business interests of

(e) an entity in which the individual or the individual in combination with any other person described in this subsection has a controlling interest.

(4) Despite subsections (1) and (2), an individual's private interests do not give rise to a conflict of interest if those interests

(a) are the same as those of a broad class of members of the First Nation of which the individual is a member; or

(b) are so remote or insignificant that they could not be reasonably regarded as likely to influence the individual in the exercise of a power or performance of a duty or function.
