3.(1) Council must appoint one or more assessors to undertake assessments of assessable property in accordance with this Law and such other duties as set out in this Law or as directed by Council.

(2) An assessor appointed by Council must be qualified to conduct assessments of real property in the Province.

Application of Law

4. This Law applies to all interests in land.

PART IV
ASSESSED VALUE

Assessment and Valuation

5.(1) The assessor must assess all interests in land that are subject to taxation under the Taxation Law and all interests in land for which payments-in-lieu may be accepted by Council.

(2) For the purpose of determining the assessed value of an interest in land for an assessment roll, the valuation date is July 1 of the year before the taxation year for which the assessment applies.

(3) The assessed value of an interest in land for an assessment roll is to be determined as if on the valuation date

(a) the interest in land was in the physical condition that it is in on October 31 following the valuation date; and

(b) the permitted use of the interest in land was the same as on October 31 following the valuation date.

(4) Paragraph (3)(a) does not apply to property referred to in paragraphs 17(3)(b) and (d) and the assessed value of property referred to in that section for an assessment roll must be determined as if on the valuation date the property was in the physical condition that it is in on December 31 following the valuation date.

(5) Except where otherwise provided, the assessor must assess interests in land at their market value as if held in fee simple off the reserve.

(d) replacement cost;

(e) revenue or rental value;

(f) selling price of the interest in land and comparable interests in land;

(g) economic and functional obsolescence; and

(h) any other circumstances affecting the value of the interest in land.

(8) Without limiting the application of subsections (5) and (6), an interest in land used for an industrial or commercial undertaking, a business or a public utility enterprise must be valued as the property of a going concern.

(9) Where a lease or other instrument granting an interest in land places a restriction on the use of the property, other than a right of termination or a restriction on the duration of the interest in land, the assessor must consider the restriction.

(10) Council hereby establishes those property classes established by the Province for provincial property assessment purposes that are set out in Schedule I, for the purposes of assessment under this Law and imposing taxes under the Taxation Law.

(11) The assessor must

(a) assess interests in land according to the property classes established under subsection (10); and

(b) use the provincial classification rules for each property class.

(12) Where a property falls into two (2) or more property classes, the assessor must determine the share of the assessed value of the property attributable to each class and assess the property according to the proportion each share constitutes of the total assessed value.

(13) Where two (2) or more persons are holders of assessable property, the assessor may choose to assess the property in the name of any of those persons or in the names of two (2) or more of those persons jointly.

(14) If a building or other improvement extends over more than one (1) property, those properties, if contiguous, may be treated by the assessor as one property and assessed accordingly.

(15) Where an improvement extends over, under or through land and is owned, occupied, maintained, operated or used by a person other than the holder of the land, that improvement may be separately assessed to the person owning, occupying, maintaining, operating or using it, even though some other person holds an interest in the land.

(2) The assessor may in all cases assess the assessable property based on the information available to him or her and is not bound by the information provided under subsection (1).

Inspections

8.(1) The assessor may, for any purposes related to assessment, enter into or on and inspect land and

improvements.

(2) The assessor may enter onto any property and may examine any property

(a) to determine an assessment of land and improvements, in respect of which the assessor thinks a person may be liable to assessment; or

(b) to confirm an assessment.

(3) The assessor must be given access to, and may examine and take copies of and extracts from, the books, accounts, vouchers, documents and appraisals of the person referred to in paragraph (2)(a) who must, on request, furnish every facility and assistance required for the entry and examination.

PART VI

ASSESSMENT ROLL AND ASSESSMENT NOTICE

Assessment Roll

9.(1) On or before December 31 of each year, the assessor must complete a new assessment roll containing a list of every interest in land that is liable to assessment under this Law.

(a) certify in writing in substantially the form set out in Schedule X that the revised assessment roll was completed in accordance with the requirements of this Law; and

(b) deliver a copy of the certified revised assessment roll to Council and to the chair.

(3) On certification under this section, the revised assessment roll becomes the assessment roll for the

taxation year and it is deemed to be effective as of the date the assessment roll was certified under section 10.

Validity of Assessment Roll

12. An assessment roll is effective on certification and unless amended in accordance with this Law, by a decision of the Assessment Review Board or by an order of a court of competent jurisdiction, is

(a) valid and binding on all parties concerned, despite any

(i) omission, defect or error committed in, or with respect to, the assessment roll,

(ii) defect, error or misstatement in any notice required, or

(iii) omission to mail any notice required; and

(b) for all purposes, the assessment roll of the First Nation until the next certified assessment roll or certified revised assessment roll.

Inspection and Use of Assessment Roll

13.(1) On receipt by Council, the assessment roll is open to inspection in the First Nation office by any person during regular business hours.

(2) In addition to inspection under subsection 13(1), Council may allow the assessment roll to be inspected electronically through an online service, provided that the information available online does not include any names or other identifying information about a holder or other person.

(3) A person must not, directly or indirectly, use the assessment roll or information contained in the assessment roll to

(a) obtain names, addresses or telephone numbers for solicitation purposes, whether the solicitations are made by telephone, mail or any other means; or

(b) harass an individual.

(4) The tax administrator may require a person who wishes to inspect the assessment roll to complete a declaration in substantially the form set out in Schedule III

(a) specifying the purpose for which the information is to be used; and

(b) certifying that the information contained in the assessment roll will not be used in a manner prohibited under this section.

Protection of Privacy in Assessment Roll

14.(1) On application by a holder, the assessor may omit or obscure the holder's name, address or other information about the holder that would ordinarily be included in an assessment roll if, in the assessor's opinion, the inclusion of the name, address or other information could reasonably be expected to threaten the safety or mental or physical health of the holder or a member of the holder's household.

(2) Where the assessor omits or obscures information under subsection (1), such information must be obscured from all assessment rolls that are available for public inspection under subsection 13(1) or are otherwise accessible to the public.

Chargeholders

15.(1) Any person holding a charge on assessable property may, at any time, give notice, with full particulars of the nature, extent and duration of the charge, to the assessor and request that his or her name be added to the assessment roll in respect of that assessable property, for the duration of the charge.

(2) On receipt of a notice and request under this section, the assessor must enter the person's name and address on the assessment roll and provide copies of all assessment notices issued in respect of the

assessable property.

Assessment Notice

16.(1) The assessor must, on or before December 31 of each year, mail an Assessment Notice to every person named in the assessment roll in respect of each assessable property, at the person's address on the assessment roll.

(2) Where requested by the recipient, an Assessment Notice may be e-mailed to a person named on the assessment roll, and the Assessment Notice is deemed to have been delivered on the date that the e-mail is sent by the assessor.

(3) A person whose name appears in the assessment roll must give written notice to the assessor of any change of address.

(4) Any number of interests in land assessed in the name of the same holder may be included in one Assessment Notice.

(5) If several interests in land are assessed in the name of the same holder at the same value, the Assessment Notice may clearly identify the property assessed, without giving the full description of each property as it appears in the assessment roll.

(6) Subject to subsection 13(2) and subsection (7), the assessor must provide, to any person who requests it and pays to the assessor the fee of six dollars ($6), the information contained in the current Assessment Notice sent by the assessor.

(7) Where information has been omitted or obscured under subsection 14(1), the assessor must omit that information from a notice provided under subsection (6).

PART VII

ERRORS AND OMISSIONS IN ASSESSMENT ROLL

Amendments by Assessor

17.(1) Before March 16 in each year after the certification of an assessment roll under section 10, the assessor must notify and recommend correction to the Assessment Review Board of all errors or omissions in the assessment roll, except those errors or omissions corrected under subsection (2) or section 19.

(2) Before March 16 in each year after the certification of an assessment roll under section 10, the assessor may amend an individual entry in the assessment roll to correct an error or omission, with the consent of the

(a) holder of the interest in land; and

(b) the complainant, if the complainant is not the holder.

(3) Without limiting subsection (1), the assessor must give notice to the Assessment Review Board and recommend correction of the assessment roll in any of the following circumstances:

(a) because of a change in a holder that occurs before January 1 in a taxation year that is not reflected in the certified assessment roll and that results in

(i) land or improvements, or both, that were not previously subject to taxation becoming subject to taxation, or

(ii) land or improvements, or both, that were previously subject to taxation ceasing to be subject to taxation;

(b) after October 31 and before the following January 1, a manufactured home is moved to a new location or destroyed;

(c) after October 31 and before the following January 1, a manufactured home is placed on land that has been assessed or the manufactured home is purchased by the holder of land that has been assessed; and

(d) improvements, other than a manufactured home, that

(i) are substantially damaged or destroyed after October 31 and before the following January 1, and

(ii) cannot reasonably be repaired or replaced before the following January 1.

(4) Except as provided in section 18, or pursuant to an order of a court of competent jurisdiction, the assessor must not make any amendments to the assessment roll after March 31 of the current taxation year.

(5) Where the assessment roll is amended under subsection (1), the assessor must mail an amended Assessment Notice to every person named in the assessment roll in respect of the interest in land affected.

Supplementary Assessment Roll

18.(1) If, after the certification of the revised assessment roll or where there is no revised assessment roll, after March 31, the assessor finds that any interest in land

(a) was liable to assessment for the current taxation year, but has not been assessed on the current assessment roll, or

(b) has been assessed for less than the amount for which it was liable to assessment,

the assessor must assess the interest in land on a supplementary assessment roll, or further supplementary assessment roll, in the same manner that it should have been assessed on the current assessment roll, provided that a supplementary assessment roll under this section must not be prepared after December 31 of the taxation year in which the assessment roll certified under section 10 applies.

(2) If, after the certification of the revised assessment roll or where there is no revised assessment roll, after March 31, the assessor finds that an interest in land

(a) was liable to assessment for a previous taxation year, but has not been assessed on the assessment roll for that taxation year, or

(b) has been assessed in a previous taxation year for less than the amount for which it was liable to assessment,

the assessor must assess the interest in land on a supplementary assessment roll, or further supplementary assessment roll, in the same manner that it should have been assessed, but only if the failure to assess the interest in land, or the assessment for less than it was liable to be assessed, is attributable to

(c) a holder's failure to disclose,

(d) a holder's concealment of particulars relating to assessable property,

(e) a person's failure to respond to a request for information under subsection 7(1), or

(f) a person's making of an incorrect response to a request for information under subsection 7(1),

as required under this Law.

(3) In addition to supplementary assessments under subsections (1) and (2), the assessor may, at any time before December 31 of the taxation year in which the assessment roll certified under section 10 applies, correct errors and omissions in the assessment roll by means of entries in a supplementary assessment roll.

(4) The duties imposed on the assessor with respect to the assessment roll and the provisions of this Law relating to assessment rolls, so far as they are applicable, apply to supplementary assessment rolls.

(5) Where the assessor receives a decision of the Assessment Review Board after March 31 in a

taxation year, the assessor must create a supplementary assessment roll reflecting the decision of the Assessment Review Board and this section applies.

(6) Nothing in this section authorizes the assessor to prepare a supplementary assessment roll that would be contrary to an amendment ordered or directed by the Assessment Review Board or by a court of competent jurisdiction.

(7) A supplementary assessment roll that implements an amendment ordered or directed by the Assessment Review Board or by a court of competent jurisdiction may not be appealed to the Assessment Review Board.

(8) The assessor must, as soon as practicable, after issuing a supplementary assessment roll

(a) deliver a certified copy of the supplementary assessment roll to the Council;

(b) where the supplementary assessment roll reflects a decision of the Assessment Review Board, deliver a certified copy of the supplementary assessment roll to the chair; and

(c) mail an amended Assessment Notice to every person named on the assessment roll in respect of the interest in land affected.

(b) be made in writing and include the information set out in Schedule V; and

(c) include any reasons in support of the request.

(4) The assessor must consider the request for reconsideration and, within twenty-one (21) days after receiving the request for reconsideration, either

(b) where the assessor determines that the assessable property should have been assessed differently, offer to the person who requested the reconsideration to modify the assessment.

(5) Where the person who requested the reconsideration agrees with the modification proposed by the assessor, the assessor must

(a) amend the assessment roll as necessary to reflect the modified assessment;

(b) give notice of the amended assessment to the tax administrator and to all other persons who received the Assessment Notice in respect of the assessable property; and

(c) where a Notice of Appeal has been delivered in respect of the assessable property, advise the Assessment Review Board of the modification.

(2) For the purposes of paragraph (1)(a), membership in the First Nation does not in itself constitute a

personal or financial interest in assessable property.

(2) The chair must

(a) supervise and direct the work of the Assessment Review Board;

(2) The chair must, at least ten (10) days before the hearing, deliver a Notice of Hearing, setting out the date, time and place of the hearing, to the parties and to each person named on the assessment roll in respect of the assessable property.

(3) Notwithstanding subsection (2), the chair is not required to deliver a Notice of Hearing to a holder of a property affected by an assessor recommendation under subsection 17(1) where the recommendation

(a) results in a decrease in the assessed value of the property;

(b) does not change the classification of the property; and

(c) does not result in the removal of an exemption.

Parties

31. The parties in a hearing, except as provided in subsection 30(3), are

(a) the complainant;

(b) the holder of the assessable property, if not the complainant;

(c) the assessor; and

(d) any person who the Assessment Review Board determines may be affected by the appeal or

assessor recommendation, upon request by that person.

Delivery of Documentation

32. The chair must, without delay, deliver a copy of any document submitted by a party in relation to an appeal to all other parties.

Timing for Hearing

33. Subject to section 46, the Assessment Review Board must commence a hearing within forty-five (45) days after delivery of the Notice of Appeal to the assessor or receipt of an assessor recommendation under subsection 17(1), unless all parties consent to a delay.

Daily Schedule

34.(1) The chair must

(a) create a daily schedule for the hearings of the Assessment Review Board; and

(b) post the daily schedule at the place where the Assessment Review Board is to meet.

(2) The Assessment Review Board must proceed to deal with appeals and assessor recommendations in accordance with the daily schedule, unless the Assessment Review Board considers a change in the schedule necessary and desirable in the circumstances.

35.(1) The Assessment Review Board must give all parties a reasonable opportunity to be heard at a hearing.

(2) A party may be represented by counsel or an agent and may make submissions as to facts, law and jurisdiction.

(3) The Assessment Review Board may conduct a hearing whether the complainant is present or not, provided the complainant was given notice of the hearing in accordance with this Law.

(4) The burden of proof in an appeal is on the person bringing the appeal.

(5) In an oral hearing, a party may call and examine witnesses, present evidence and submissions and conduct cross-examination of witnesses as reasonably required by the Assessment Review Board for a full and fair disclosure of all matters relevant to the issues in the appeal.

(6) The Assessment Review Board may reasonably limit further examination or cross-examination of a witness if it is satisfied that the examination or cross-examination has been sufficient to disclose fully and fairly all matters relevant to the issues in the appeal.

(7) The Assessment Review Board may question any witness who gives oral evidence at a hearing.

(8) The Assessment Review Board may receive and accept information that it considers relevant, necessary and appropriate, whether or not the information would be admissible in a court of law.

(9) The Assessment Review Board may conduct its proceedings by any combination of written, electronic and oral hearings.

(b) the appeal was not filed within the applicable time limit; or

(c) the complainant failed to diligently pursue the appeal or failed to comply with an order of the Assessment Review Board.

(2) Before dismissing all or part of an appeal under subsection (1), the Assessment Review Board must give the complainant an opportunity to make submissions to the Assessment Review Board.

(3) The Assessment Review Board must give written reasons for any dismissal made under subsection (1) to all parties.

Quorum

38.(1) A majority of the members of the Assessment Review Board constitutes a quorum, provided that there must not be less than three (3) members present at any time.

Decisions

39. A decision of the majority of the members is a decision of the Assessment Review Board and, in the case of a tie, the decision of the chair governs.

Combining Hearings

40. The Assessment Review Board may conduct a single hearing of two (2) or more appeals or assessor recommendations related to the same assessment if the matters in each hearing are addressing the same assessable property or substantially the same issues.

LIABILITY FOR TAXATION

Application of Law

4. This Law applies to all interests in land.

Tax Liability

5.(1) Except as provided in Part V, all interests in land are subject to taxation under this Law.

(3) Where an interest in land is exempt from taxation under paragraph 7(1)(a) or (b), that exemption does not affect the liability to taxation of other holders of interests in the same property.

(4) Taxes are due and payable under this Law notwithstanding any proceeding initiated or remedy sought by a taxpayer respecting his or her liability to taxation under this Law.

(5) Any person who shares the same interest in taxable property is jointly and severally liable to the First Nation for all taxes imposed on that taxable property under this Law during the taxation year and for all unpaid taxes imposed in a previous taxation year, including, for clarity, interest, penalties and costs as provided in this Law.

Tax Refunds

6.(1) Where a person is taxed in excess of the proper amount in a taxation year, the tax administrator must refund to that person any excess taxes paid by that person.

PART VII - Interpretation

Interpretation

1.(1) In this Schedule:

"spouse" means, in relation to an individual, a person to whom the individual is married or with whom the individual has lived as a common law partner for at least one (1) year in a marriage-like relationship; and

"this Law" means the Financial Administration Law to which this Schedule is attached and forms a part.

(2) Except as otherwise expressly provided in this Schedule, words and expressions used in this Schedule have the same meanings as in this Law.

(3) Sections 3 and 5 of this Law apply to this Schedule.

(4) If there is a conflict between a provision of this Schedule and this Law, the provision of this Law applies.

Definition of Conflict of Interest

2.(1) In this Schedule, an individual has a "conflict of interest" when the individual exercises a power or performs a duty or function and at the same time knows or ought reasonably to have known that in the exercise of the power or performance of the duty or function there is an opportunity to benefit the individual's private interests.

(2) In this Schedule, an individual has an "apparent conflict of interest" if a reasonably well-informed person would perceive that the individual's ability to exercise a power or perform a duty or function of their office or position must be affected by the individual's private interests.

(3) In this Schedule, an individual's "private interests" means the individual's personal and business interests and include the personal and business interests of

(a) the individual's spouse,

(b) a person under the age of eighteen (18) years in respect of whom the individual or the individual's spouse is a parent or acting in a parental capacity,

(c) a person in respect of whom the individual or the individual's spouse is acting as guardian,

(d) a person, other than an employee, who is financially dependent upon the individual or the individual's spouse or on whom the individual is financially dependent, and

(e) an entity in which the individual or the individual in combination with any other person described in this subsection has a controlling interest.

(4) Despite subsections (1) and (2), an individual's private interests do not give rise to a conflict of interest if those interests

(a) are the same as those of a broad class of members of the First Nation of which the individual is a member; or

(b) are so remote or insignificant that they could not be reasonably regarded as likely to influence the individual in the exercise of a power or performance of a duty or function.

SCHEDULE – Avoiding And Mitigating Conflicts Of Interest

PART I - Interpretation

Interpretation

1.(1) In this Schedule:

"spouse" means, in relation to an individual, a person to whom the individual is married or with whom the individual has lived as a common law partner for at least one (1) year in a marriage-like relationship; and

"this Law" means the Financial Administration Law to which this Schedule is attached and forms a part.

(2) Except as otherwise expressly provided in this Schedule, words and expressions used in this Schedule have the same meanings as in this Law.

(3) Sections 3 and 5 of this Law apply to this Schedule.

(4) If there is a conflict between a provision of this Schedule and this Law, the provision of this Law applies.

Definition of Conflict of Interest

2.(1) In this Schedule, an individual has a "conflict of interest" when the individual exercises a power or performs a duty or function and at the same time knows or ought reasonably to have known that in the exercise of the power or performance of the duty or function there is an opportunity to benefit the individual's private interests.

(2) In this Schedule, an individual has an "apparent conflict of interest" if a reasonably well-informed person would perceive that the individual's ability to exercise a power or perform a duty or function of their office or position must be affected by the individual's private interests.

(3) In this Schedule, an individual's "private interests" means the individual's personal and business interests and include the personal and business interests of

(a) the individual's spouse,

(b) a person under the age of eighteen (18) years in respect of whom the individual or the individual's spouse is a parent or acting in a parental capacity,

(c) a person in respect of whom the individual or the individual's spouse is acting as guardian,

(d) a person, other than an employee, who is financially dependent upon the individual or the individual's spouse or on whom the individual is financially dependent, and

(e) an entity in which the individual or the individual in combination with any other person described in this subsection has a controlling interest.

(4) Despite subsections (1) and (2), an individual's private interests do not give rise to a conflict of interest if those interests

(a) are the same as those of a broad class of members of Malahat Nation of which the individual is a member; or

(2) Except as otherwise expressly provided in this Schedule, words and expressions used in this Schedule have the same meanings as in this Law.

(3) Sections 3 and 5 of this Law apply to this Schedule.

(4) If there is a conflict between a provision of this Schedule and this Law, the provision of this Law applies.

Definition of Conflict of Interest

2.(1) In this Schedule, an individual has a "conflict of interest" when the individual exercises a power or performs a duty or function and at the same time knows or ought reasonably to have known that in the exercise of the power or performance of the duty or function there is an opportunity to benefit the individual's private interests.

(2) In this Schedule, an individual has an "apparent conflict of interest" if a reasonably well-informed person would perceive that the individual's ability to exercise a power or perform a duty or function of their office or position must be affected by the individual's private interests.

(3) In this Schedule, an individual's "private interests" means the individual's personal and business interests and include the personal and business interests of

(a) the individual's spouse,

(b) a person under the age of eighteen (18) years in respect of whom the individual or the individual's spouse is a parent or acting in a parental capacity,

(e) an entity in which the individual or the individual in combination with any other person described in this subsection has a controlling interest.

(4) Despite subsections (1) and (2), an individual's private interests do not give rise to a conflict of interest if those interests

(a) are the same as those of a broad class of members of the First Nation of which the individual is a member; or

(2) Except as otherwise expressly provided in this regulation, words and expressions used in this regulation have the same meanings as in the FAL.

SCHEDULE – Avoiding And Mitigating Conflicts Of Interest

PART I - Interpretation

Interpretation

1.(1) In this Schedule, "this Law" means the Financial Administration Law to which this Schedule is attached and forms a part.

(2) Except as otherwise expressly provided in this Schedule, words and expressions used in this Schedule have the same meanings as in this Law.

(3) Sections 3 and 5 of this Law apply to this Schedule.

(4) If there is a conflict between a provision of this Schedule and this Law, the provision of this Law applies.

Definition of Conflict of Interest

2.(1) In this Schedule, an individual has a "conflict of interest" when the individual exercises a power or performs a duty or function and at the same time knows or ought reasonably to have known that in the exercise of the power or performance of the duty or function there is an opportunity to benefit the individual's private interests.

(2) In this Schedule, an individual has an "apparent conflict of interest" if a reasonably well-informed person would perceive that the individual's ability to exercise a power or perform a duty or function of their office or position must be affected by the individual's private interests.

(3) In this Schedule, an individual's "private interests" means the individual's personal and business interests and include the personal and business interests of

(a) the individual's spouse,

(b) a person under the age of eighteen (18) years in respect of whom the individual or the individual's spouse is a parent or acting in a parental capacity,

(c) a person in respect of whom the individual or the individual's spouse is acting as guardian,

(d) a person, other than an employee, who is financially dependent upon the individual or the individual's spouse or on whom the individual is financially dependent, and

(e) an entity in which the individual or the individual in combination with any other person described in this subsection has a controlling interest.

(4) Despite subsections (1) and (2), an individual's private interests do not give rise to a conflict of interest if those interests

(a) are the same as those of a broad class of members of the First Nation of which the individual is a member; or

Interpretation

1.(1) In this Schedule:

"spouse" means, in relation to an individual, a person to whom the individual is married or with whom the individual has lived as a common law partner for at least one (1) year in a marriage-like relationship; and

"this Law" means the Financial Administration Law to which this Schedule is attached and forms a part.

(2) Except as otherwise expressly provided in this Schedule, words and expressions used in this Schedule have the same meanings as in this Law.

(4) If there is a conflict between a provision of this Schedule and this Law, the provision of this Law applies.

Definition of Conflict of Interest

2.(1) In this Schedule, an individual has a "conflict of interest" when the individual exercises a power or performs a duty or function and at the same time knows or ought reasonably to have known that in the exercise of the power or performance of the duty or function there is an opportunity to benefit the individual's private interests.

(2) In this Schedule, an individual has an "apparent conflict of interest" if a reasonably well-informed person would perceive that the individual's ability to exercise a power or perform a duty or function of their office or position must be affected by the individual's private interests.

(3) In this Schedule, an individual's "private interests" means the individual's personal and business interests and include the personal and business interests of

(e) an entity in which the individual or the individual in combination with any other person described in this subsection has a controlling interest.

(4) Despite subsections (1) and (2), an individual's private interests do not give rise to a conflict of interest if those interests

(a) are the same as those of a broad class of members of the First Nation of which the individual is a member; or

(b) are so remote or insignificant that they could not be reasonably regarded as likely to influence the individual in the exercise of a power or performance of a duty or function.

(2) Despite subsection (1), a gift or benefit may be accepted if the gift or benefit

8.0 SECURITY ISSUING COUNCIL RESOLUTION

8.1 When, from time to time, the First Nation wishes to borrow all or a portion of the amount authorized under a Borrowing Law, the Council will pass a Security Issuing Council Resolution approving the borrowing of the specified amount and either:

(a) request the Authority to include that amount as part of its next issue of debt securities, or

(b) request the Authority to provide the specified amount by way of Interim Long Term Financing to the First Nation.

8.2 The Security Issuing Council Resolution shall specify the date by which the First Nation requests the amount specified in the Security Issuing Council Resolution be loaned by the Authority to the First Nation, it being acknowledged by the First Nation that there can be no assurance that the Authority will loan such amount by such date.

8.3 The First Nation shall promptly send an originally executed or a certified copy of the Security Issuing Council Resolution to the Authority. If the Security Issuing Council Resolution requests the Authority to include the specified amount in the Authority's next issue of debt securities, an originally executed or a certified copy of the Security Issuing Council Resolution must be delivered to the Authority by the date specified in writing by the Authority in order for the First Nation to participate in the Authority's next issue of debt securities.

8.4 If financing is provided by the Authority to the First Nation by way of Interim Long Term Financing, the Authority may by written notice to the First Nation specify the date by which the First Nation must give written notice to the Authority by way of a new Security Issuing Council Resolution to confirm that the First Nation intends such Interim Long Term Financing to be replaced by inclusion of such financing in the next issue of debt securities by the Authority.

9.0 COVENANTS OF THE AUTHORITY

9.1 If the First Nation has obtained all necessary certifications and approvals from the Board and the Commission and complied with this Agreement, any LRA Management Agreement, the Act, the by-laws and policies of the Authority and a Borrowing Law, the Authority shall review the request for financing of the First Nation set out in a Security Issuing Council Resolution and, in consideration of relevant market and economic conditions may, in accordance with the Act, authorize the issue and sale of debt securities to raise funds requested by the First Nation or provide Interim Long Term Financing to the First Nation, in either case to be loaned to the First Nation to finance a specified Capital Infrastructure Project.

9.2 The Authority agrees that for the term of this Agreement it shall:

(a) provide the First Nation full opportunity to participate in the governance of the Authority in accordance with the Act and the by-laws of the Authority;

(b) provide the First Nation with notice of any significant changes to the borrowing regime, requirements for Borrowing Members and other material information that could significantly affect the First Nation's rights as a Borrowing Member or its obligations to the Authority; and

(c) provide the First Nation with notice of any changes of fees or charges.

10.0 FINANCING BY THE AUTHORITY

10.1 The Authority is authorized to finance a Capital Infrastructure Project from time to time, at the sole cost and on behalf of the First Nation as set out in a Security Issuing Council Resolution, up to but not exceeding the least of:

(a) the amount authorized in a Borrowing Law;

(b) the amount remaining in the authorization in a Borrowing Law after previous loans for a Capital Infrastructure Project have been made to the First Nation by the Authority; or

(c) the amount of the unused annual debt servicing capacity as calculated in the most recent Borrowing Room Calculation Certificate.

10.2 The financing by the Authority shall be in lawful money of Canada (provided that the First Nation may borrow all or part of such amount in such currency as the FNFA Board shall determine but the aggregate amount in lawful money of Canada and in Canadian dollar equivalents so borrowed shall not exceed the limits set out in section 10.1 in Canadian dollars) together with interest and at such interest rates and with such discounts or premiums and expense as the Authority may deem appropriate in consideration of the market and economic conditions of the time.

10.3 Recognizing that the term to maturity of debt securities issued by the Authority may not be the same as the First Nation's requested term for financing from the Authority for a Capital Infrastructure Project, the First Nation may by resolution of the Council request that the Authority fix the interest rate on the loan from the Authority to the First Nation at the time of the borrowing described in the Security Issuing Council Resolution for the full term of the borrowing.

10.4 If the Authority provides Interim Long Term Financing to the First Nation, the amount of the loan withheld under subsection 84(2) of the Act and deposited in the Debt Reserve Fund in relation to the Interim Long Term Financing will be credited to the First Nation in determining the amount to be withheld under subsection 84(2) of the Act upon the subsequent issue of debt securities by the Authority to raise the funds requested by the First Nation.

11.0 CONDITIONS OF FINANCING

11.1 In addition to the provisions of sections 9.1, 10.1 and 10.2 of this Agreement, any decision of the Authority to provide financing to the First Nation under those sections is conditional upon the following:

(a) execution of this Agreement by the First Nation and compliance by the First Nation with all terms of this Agreement;

(b) receipt by the Authority of a Borrowing Law approved by the Commission;

(c) receipt by the Authority of supporting documentation relating to the establishment of the Local Revenue Account by the First Nation;

(d) receipt by the Authority of executed copies of the documents and agreements required by the Authority pursuant to paragraph 7.1(l) of this Agreement;

(e) execution of a LRA Management Agreement by the First Nation if requested by the Authority and compliance by the First Nation with all terms of the LRA Management Agreement;

(f) receipt by the Authority of a First Nation Security Issuing Council Resolution signed by the Council;

(g) receipt by the Authority of a current Borrowing Room Calculation Certificate;

(h) receipt by the Authority of the First Nation's most recent audited consolidated annual financial statements;

(i) receipt by the Authority of a Financial Performance Certificate or a Financial Management System Certificate issued to the First Nation and a copy of the Board's report prepared in respect of that certificate under subsection 50(2) of the Act; and

(j) receipt by the Authority of such other financial information of the First Nation as the Authority may reasonably require.

11.2 In addition to requirements under section 11.1, any decision of the Authority to provide financing to the First Nation after the financing authorized by the First Nation's first Borrowing Law is conditional upon receipt by the Authority of a Financial Management System Certificate issued to the First Nation and a copy of the Board's report prepared in respect of that certificate under subsection 50(2) of the Act.

12.0 PAYMENT BY THE FIRST NATION

12.1 Upon completion by the Authority of any financing undertaken pursuant to a Security Issuing Council Resolution, the First Nation shall, at a time that the Authority requests, execute and deliver a Promissory Note to the Authority.

12.2 The Promissory Note issued under section 12.1 shall be executed on behalf of the First Nation in accordance with the Security Issuing Council Resolution. The Promissory Note shall provide for payment by the First Nation to the Authority of the amounts required to meet the obligations of the Authority with respect to each of its borrowings undertaken pursuant to the First Nation's Borrowing Law and applicable Security Issuing Council Resolution.

12.3 The Promissory Note issued under section 12.1 shall be dated and payable in Canadian dollars and shall set out the schedule of repayment by the First Nation of the principal amount together with interest as determined by the Authority.

12.4 The obligations under a Promissory Note shall bear interest from the date specified in the Promissory Note, which date shall be determined by the Authority, at rates to be determined by the Authority.

12.5 The obligations under a Promissory Note as to both principal and interest shall be payable in such manner and at such time or times as determined from time to time by the Authority and as provided for in the Promissory Note.

12.6 The First Nation shall, in each fiscal year after a Promissory Note has been signed, provide in its annual budget for payment of all amounts payable to the Authority during the fiscal year to which its annual budget applies.

12.7 The First Nation shall pay the amounts to the Authority set forth in, or attached as a schedule to, a Promissory Note during a fiscal year and shall make such payments in priority to other creditors of the First Nation during that fiscal year.

12.8 No law enacted by the First Nation under paragraph 5(1)(b) of the Act shall authorize the expenditure of moneys raised under a Local Revenue Law unless the First Nation's annual budget provides for the payment of all amounts payable to the Authority during the budget period.

12.9 The First Nation shall provide and pay over to the Authority such sums as are required to discharge its obligations in accordance with the terms of a Promissory Note, provided that if sums provided for in a Promissory Note are not sufficient to meet the obligations of the Authority in relation to the issuance of securities or the provision of Interim Long Term Financing to raise the funds requested by the First Nation, any deficiency in meeting such obligations shall be a liability of the First Nation to the Authority and shall be paid to the Authority by the First Nation.

12.10 If the First Nation's requested repayment term for a borrowing described in a Borrowing Law does not match the term for debt securities issued by the Authority to provide for the First Nation's borrowing, the First Nation may, by way of a Council Resolution, authorize the Authority to use a derivative product to fix the loan interest rate for the full repayment term, or if no such Council Resolution is provided to the Authority, then the First Nation's loan will be refinanced by the Authority as needed to meet the First Nation's desired term of repayment set out in its Borrowing Law. Any refinancing described in this section shall take place at the Authority's calculated interest rate in issuing new securities at the time of the refinancing.

12.11 In the event the First Nation wishes to prepay the amount owing under a Promissory Note the prepayment shall include the full amount of the principal and interest due on the maturity of the Promissory Note, or another amount as calculated by the Authority to fully discharge the First Nation's obligations and any additional cost incurred by the Authority in relation to the prepayment.

12.12 The parties acknowledge that the Authority may fund advances of Interim Long Term Financing to the First Nation by the issuance of bankers' acceptances in the Canadian bank market or by the issuance of commercial paper in the Canadian capital markets. The First Nation may not prepay any amount of Interim Long Term Financing unless such prepayment is made on the maturity date of the bankers' acceptance or issue of commercial paper utilized by the Authority to fund the applicable advance of such Interim Long Term Financing, and the amount of such prepayment is sufficient to repay the relevant bankers' acceptance or commercial paper in full.

12.13 All payments by the First Nation to the Authority shall be made to an account specified by the Authority on the due date as set out in the Promissory Note, or if the due date is not a Business Day then on the next Business Day.

12.14 The First Nation agrees to repay all amounts the First Nation owes to the Authority pursuant to this Agreement or a Promissory Note, prior to entering into a treaty, land claims agreement or self-government agreement with the Crown, unless:

(a) the Authority, in its sole discretion, is satisfied that the First Nation will continue to be subject to the Act, pursuant to:
  (i) the terms of the treaty, land claims agreement or self-government agreement;
  (ii) a regulation under s. 141 of the Act; or

(iii) legislation that has otherwise been enacted; and

(b) the First Nation has executed and delivered to the Authority all documents and instruments, and taken all other actions, required by the Authority, in its sole discretion.

13.0 DEFAULT BY THE FIRST NATION

13.1 The occurrence of any one or more of the following events or conditions is a default under this Agreement:

(a) the First Nation defaults on a payment owing to the Authority under this Agreement, a Borrowing Law, Security Issuing Council Resolution or Promissory Note;

(b) the First Nation fails to comply with the Act in any material respect;

(c) the First Nation defaults in the observance or performance of any of the terms, conditions or covenants to be observed or performed by the First Nation under this Agreement;

(d) the First Nation or a Person on its behalf made a representation, warranty or statement to the Authority that was untrue in any material respect at the time it was made or deemed to be made;

(e) the First Nation defaults in payment of any indebtedness to any Person other than the Authority, or defaults in the performance of any term, provision or condition created in any agreement under which that indebtedness was created or is governed, where that default would allow that Person to cause the indebtedness to become due prior to its stated maturity, or any such indebtedness is declared to be due and payable other than by a regularly scheduled payment;

(f) the First Nation commits or threatens to commit any act of bankruptcy or becomes insolvent;

(g) the holder of a security interest delivers a notice of intention to enforce its security or take possession of all or any part of the First Nation's property, including the Local Revenue Account or any part of it, or an execution or other process of any court becomes enforceable against the First Nation;

(h) in the opinion of the Authority, a Material Adverse Change has occurred;

(i) the First Nation terminates, alters or fails to carry out the terms of any LRA Management Agreement;

(j) the First Nation fails or refuses to exercise its rights and remedies to enforce collection of outstanding property tax revenues in a manner that is acceptable to the Authority to meet the First Nation's obligations to the Authority under this Agreement or a Promissory Note;

(k) the First Nation grants a security interest in the Local Revenue Account to any Person other than the Authority without the prior written consent of the Authority; or

(l) the First Nation changes the financial institution at which the Local Revenue Account is located or changes the account number of the Local Revenue Account without the prior written consent of the Authority.

13.2 If a default under section 13.1 occurs, the Authority, in its sole and absolute discretion, may declare all or any part of the First Nation's obligations under this Agreement or a Promissory Note immediately due and payable, without any further demand or notice of any kind.

13.3 Notwithstanding anything in this Agreement, no use of the Debt Reserve Fund or payment by other Borrowing Members to replenish the Debt Reserve Fund following a default by the First Nation on a loan

payment to the Authority relieves the First Nation of its obligations under this Agreement, a Promissory Note, any LRA Management Agreement or the Act.

13.4 If a default under section 13.1 occurs, in addition to any other remedies the Authority has under the Act or this Agreement, the Authority may take one or both of the following actions under section 86 of the Act:

(a) request the Board to conduct a review and make a report to the Authority of the reasons for the First Nation's default, including any recommendation for an intervention under section 52 or 53 of the Act; or

(b) require the Board to either (at the Board's discretion) impose a co-management arrangement on the First Nation or assume third-party management of the First Nation's local revenues under section 52 or 53 of the Act.

13.5 Notwithstanding any other provision of this Agreement, the Board may, at its discretion, give notice to the First Nation under section 52 of the Act requiring the First Nation to enter into a co-management arrangement in respect of the First Nation's local revenues, including its Local Revenue Account, if, in the opinion of the Board, there is a serious risk that the First Nation will default on an obligation to the Authority.

13.6 In addition to any other remedies or obligations under the Act or this Agreement, where the First Nation defaults on a loan payment to the Authority under paragraph 13(1)(a) and that default leads to a reduction in the Debt Reserve Fund which other Borrowing Members are called upon to replenish, the First Nation shall make payments to the Authority in order to repay amounts to other Borrowing Members who have been called upon to replenish the Debt Reserve Fund, together with amounts on account of investment income that would have been earned on the amount of the First Nation's default and any costs incurred by the Authority.

13.7 In each year following a default by the First Nation that led to the reduction in the balance of the Debt Reserve Fund, the Authority shall send to the Council a notice imposing a charge on the First Nation in an amount required to repay amounts outstanding under section 13.6.

13.8 Upon receipt of the notice from the Authority sent under section 13.7, the First Nation shall forthwith pay to the Authority the amounts set out in the notice.

13.9 Upon receipt of payments from the First Nation under section 13.8, the Authority shall pay to each of those Borrowing Members who have been called upon to replenish the Debt Reserve Fund a share of monies received from the First Nation proportionate to the amount of the total replenishment of the Debt Reserve Fund paid by each such Borrowing Member.

13.10 The First Nation agrees that all costs and interest incurred by the Authority as a result of a default by the First Nation under section 13.1, including all fees and disbursements paid by the Authority to its solicitors and counsel and any other Persons in connection with advising the Authority with respect to a default by the First Nation, enforcement of this Agreement and collection of monies owing, shall be payable by the First Nation to the Authority forthwith.

13.11 At all times during any default by the First Nation under section 13.1, the Authority shall be entitled to exercise all of the Authority's rights under any LRA Management Agreement, including without limitation, requiring that amounts payable to the Authority be paid to the Authority out of the Local Revenue Account.

14.0 REPAYMENTS FROM DEBT RESERVE FUND

14.1 Where upon default by another Borrowing Member that led to a reduction in the Debt Reserve Fund, the First Nation has contributed to replenishment of the Debt Reserve Fund, any repayment to the First Nation under subsection 84(6) of the Act shall be reduced by an amount equal to the repayment monies received by the First Nation from the Authority under section 13.9.

15.0 INDEMNITY

15.1 The Authority does not agree to undertake or assume any responsibility or duty to the First Nation to select, review, inspect, supervise, pass judgment upon, or inform the First Nation of any matter in connection with a Capital Infrastructure Project. The First Nation shall rely entirely upon its own judgment with respect to such matters; and any review, inspection, supervision, exercise of judgment or supply of information undertaken or assumed by the Authority in connection with such matters is solely for the protection of the Authority and neither the First Nation nor any other Person is entitled to rely thereon.

15.2 The Authority shall not be responsible or liable to any Person for any loss, damage, liability or claim of any kind relating to injury or death to such Person or damage to any Person's property caused by the action, inaction or negligence of the First Nation.

15.3 The First Nation shall indemnify and save harmless the Authority from and against all claims, demands, actions and costs that arise out of the performance by the First Nation of the Capital Infrastructure Project, any LRA Management Agreement and of this Agreement or by reason of any matter or thing done or omitted to be done by the First Nation or by its employees or agents in connection with their performance in relation to the Capital Infrastructure Project or this Agreement, whether occasioned by negligence or otherwise. Such indemnification shall survive termination of this Agreement.

16.0 ENFORCEMENT OF THIS AGREEMENT

16.1 Nothing in this Agreement or any procedures or remedies in this Agreement shall prevent or restrict the Authority from exercising or relying upon any other legal or equitable remedies or procedures available to the Authority in addition to any remedies or procedures in this Agreement, in relation to enforcement of this Agreement or a Promissory Note.

17.0 SHARING OF INFORMATION

17.1 The First Nation consents to the sharing of information that it may provide to the Authority, Commission and Board between those institutions as may be required by them to carry out their duties, responsibilities and functions under the Act or as may be required in relation to this Agreement, and further acknowledges and consents to the disclosure of such information to such third parties in the financial industry by the Authority as is reasonably necessary for the Authority to engage in the issuance of securities or the provision of Interim Long Term Financing secured by the First Nation's Property Tax Revenues.

18.0 WAIVER

18.1 No provision of this Agreement and no breach by either party of any such provision will be deemed to have been waived unless such waiver is in writing signed by the party that has not committed the breach.

18.2 A written waiver by either party of a breach of any provision of this Agreement will not be deemed to be a general waiver of such provision or of any subsequent breach of the same or any other provision of this Agreement.

19.0 APPLICABLE LAW

19.1 This Agreement shall be governed by and construed in accordance with the laws of the Province of British Columbia and the laws of Canada applicable therein and the parties submit and attorn to the jurisdiction of the courts of the Province of British Columbia.

20.0 TIME OF THE ESSENCE

20.1 Time is of the essence of this Agreement and forbearance by the Authority of a strict application of this provision shall not operate as a continuing or subsequent forbearance.

21.0 SURVIVAL OF WARRANTIES AND REPRESENTATIONS

21.1 All representations and warranties contained in this Agreement shall survive the execution and delivery of this Agreement and shall be deemed to have been made again to the Authority on the date of each loan by the Authority to the First Nation and shall be conclusively presumed to have been relied on by the Authority regardless of any investigation made or information possessed by the Authority.

21.2 The representations and warranties set forth in this Agreement shall be cumulative and in addition to any other representations or warranties which the First Nation shall now or hereafter give, or cause to be given, to the Authority.

21.3 Notwithstanding anything to the contrary contained herein, articles 15, 16, 19, 21, 22 and 23 shall survive the termination of this Agreement in accordance with its terms.

(2) In this Schedule, an individual has an "apparent conflict of interest" if a reasonably well-informed person would perceive that the individual's ability to exercise a power or perform a duty or function of their office or position must be affected by the individual's private interests.

(3) In this Schedule, an individual's "private interests" means the individual's personal and business interests and include the personal and business interests of

(4) Despite subsections (1) and (2), an individual's private interests do not give rise to a conflict of interest if those interests

(a) are the same as those of a broad class of members of the First Nation of which the individual is a member; or

(b) are so remote or insignificant that they could not be reasonably regarded as likely to influence the individual in the exercise of a power or performance of a duty or function.
